**Subject:** [REDACTED] Motion

Hi [REDACTED] and [REDACTED] --

I hope this email finds you and your families safe and healthy.

[REDACTED]

As you also know, [REDACTED] has attempted to cooperate on a number of matters at the SDNY, including with the investigation into the events surrounding Jeffrey Epstein's death.

In light of all these circumstances, I am going to be filing a motion to have [REDACTED] sentence reduced. I have discussed this with EDNY AUSA [REDACTED] and provided her with a draft of the motion. It is my great hope that she will join in it.

I am attaching here the portion of the motion that discusses her assistance to your investigation for two reasons. First, I don't want to misrepresent/misstate any aspect of her assistance or characterize your position on it in any way that you disagree with. Second, while I understand you might not feel a Rule 35 motion is merited, I am hoping you will agree to advise the Court (or allow me to) that she did try to assist you.

Please let me know your thoughts. I am happy to discuss by phone, as well.

I should note that the motion will be filed under seal.

Stay safe,  
Sarah
