TOC added in the attached.

If new paragraphs added to this version, right click on the TOC section, and select "update field". But then only select "update page numbers". Selecting update entire filed will mess up the formatting.

Best,

Hi all,

Do you think you'll need a full hour to do the TOC and TOA? I'm currently planning to get it to you at 10:45, but I need some time on the back end to finalize the PDFs.

Thanks!

Hi [REDACTED]

Thanks again for hopping on the conference call. We talked with [REDACTED] and we need you to get the final version of the motion to us by 11pm tonight so that she has enough time to do the TOC and TOA with precision. Also let us know if you do wind up needing help with the cite check so we can give you a call and go over what we need to do.

Thanks,
