No worries -- actually, just go ahead with [REDACTED] at 12:30, and I will catch up with him after.

Sorry, I figured those slots were when you were both available -- I'll likely still be in a meeting at 12:30; could we do later, 1:00 or 1:30? We all have various stuff scheduled for today so just trying to slot in. Or otherwise I can just try to cut my other meeting short, but it's been rescheduled once already so if it's possible to do 1 or 1:30 that would be great.

I can't do 12:30. Any chance you can do 12?

Yes, we can do 12:30 -- we'll plan to meet then.

My day just opened up a bit. Any chance you guys are free today from 11-2 or at 3?

Unfortunately we have conflicts tomorrow from 5:30 on — we could potentially do Wednesday but [REDACTED] will be in White Plains so would have to call in, or if there are available times on Tuesday we could try for that.

She also didn't want to talk about specific conduct at this meeting so we don't have any additional info there. Meanwhile we're continuing to work on the pile of memos, and I don't think there's any additional update other than that [REDACTED] is coming in for a limited proffer (just talking about her background, to start) a week from Tuesday.
