Dear Attorney [REDACTED]:

Please review the attached alias for Jeffrey Epstein (a registered sex offender in Beaufort, NC).

I am still staying at the same Marriott hotel and paying full price, which fluctuates from \$139 to \$199 per day, plus meals. The least the hotel can do is pay for my stay and re-housing, since the incident occurred at a Marriott property in China.

Respectfully,

Laura Isabel Woods, the teacher at Hangzhou (China) International School,
(which is headquartered in Lansing, Michigan)
