Good morning! I'm in a little early in case you were free to talk a little more about what I can help you with. I am about to go through security and can either come by your office or head to the library.

This sounds great! It was great to meet you today as well and I would love to come to everything Tuesday and Thursday. Unfortunately this week I have meetings for [REDACTED] so I won't be able to be there Friday, but could be going forward. I'll see you tomorrow morning!

Hey –

Nice meeting you earlier today. So here are some things that are going on this week:

- Tomorrow at 12:30: interview relating to the Epstein investigation.

[REDACTED]

- Friday at 12:00: another interview of an inmate relating to the Epstein investigation.

I'll keep you posted as additional things are added. You shouldn't feel any obligation to go to everything – some of it will probably be boring. See you tomorrow.
