Subject: Epstein update

Date: Tue, 17 Sep 2019 20:29:17 +0000

[REDACTED]

Maxwell's boyfriend, Scott Borgenson, lives in Manchester By the Sea, MA, we spoke with the PD and they were in contact with him earlier in August. Maxwell was with him but left after all the media scrutiny. The PD has a good relationship with him. We are tracking a cell phone we believe belongs to Maxwell, we just subpoena'd for subscriber info., I will keep you posted.
