Dear Ms. [REDACTED]

Yes the Khashoggi Operation connects to Maxwell Epstein
What do you know about the Tye family United Liquors Bridgewater Ma?
What do you know about William,Rose Styron and family?
The Styron's knew Epstein and Maxwell their real names the names they were Born with.
The Tye name was changed.
Look up the name Hamilton South Tom Styron used that as an alias . He also used the name Andrew Turner
Now look up funeral Bassette Kennedy Hamilton South
Khashoggi the Yacht Nabilla Khashoggi, Hajar ,Nitke went to school in UK together as children
Nitke knew Alexandra Styron at Columbia University it might not be on Styron's CV
She was there Darryl Nitke was the president of the Columbia Flying Club
Now ask yourself how do they connect to terrorists?
How the terrorists receive funding who writes their publicity
The Khashoggi wealth was never from arms dealing to the KSA.
Would you like to know who helped them recruit girls, boys teenagers?
Look up Rumsey Hall School
Magnoli
Shereschewsky
Capacci
Hunt
Henderson
Cologerous

Look up this Name Robert Elia he connects to Tye Maxwell Epstein Marysue Elia Tom Elia he is on the internet journalist

If there is a Grand Jury

On 9/11/01 and Epstein

Then Berman knows they connect.

Only the Israelis raised a warning about Maxwell Epstein targeting teenage girls

Israela found a pattern that a kibbutz was a great place to lure young girls with the promise abroad of high paying work

They knew High up someone was protecting a trafficking operation.

No one inside the USA tried to stop the trafficking politicians included

Law enforcement in Massachusetts and the AG office never want you to discover the truth

I can prove this

How many FBI,CIA and NSA names did you find?
