Hi! Attached are the scripts. The presentations are huge ppt files that are tough to email, but they're essentially just our exhibits dropped into a powerpoint to make the presentation easier, without any text or anything. They both followed the same structure:

- Slides introducing defendants (photos of locations and defendants) – for background
- Photo of a victim, then any victim-specific exhibits (travel records, etc.)
- Repeat for next victim

Feel free to call anytime with questions if that would be useful, and good luck!!

Hey – Since [REDACTED] is on vacation, I didn't want to bother her. Can you please send me the GJ materials (script, presentation) for Epstein and Maxwell?

Thanks!
