Bob,
I received, I think, five emails with links to AmEx materials: one from Yui Chow, two from you, and two from Kristina Hendrickson. I was able to access the folder "[REDACTED] (Yui Chow)" and download the 15 documents in that folder. I was also able to access a folder from Kristina and download a file titled "Epstein Docs_zip.vsf" though I haven't yet been able to open the .vsf file.
Regarding the other three emails, I had issues accessing the links – basically every time I went to the link, it would prompt me to create an account (even though I already have one) but never actually provide access. Any thoughts on how to put all the documents in one place? I had the easiest time with the Yui Chow docs, for whatever that's worth, but not sure why.
I'm reachable all weekend ([REDACTED]) if you happen to get this before Monday; if not, can talk then. Sorry for the tech issues, and thanks for your help.

The folder was just sent to you from Yui C Chow of my office. Let me know if you receive it. I had a few technical issues but I think we worked them out.

Bob, good to be in touch again – we've corresponded before on a couple of my cases. Looking forward to talking tomorrow, and thank you for your help on this!
