Hey [REDACTED]

Hope all is well on your end. Kelly found one page of notes that I took back at the original Epstein search back in July 2019. The notes are from the interview I had with Sonam Dema, the housekeeper. I did not write a 302, happy to do one now, but given the time that has passed it might be to just upload the notes to Sentinel as is. Let me know if you want a 302 or anything else.

Thanks,

[REDACTED]
