Subject: Contacting JE estate

Hey [REDACTED],

While I'm traveling next week, would you be willing to please contact Epstein's estate to follow up on their agreement to provide us with photos? Attached is the email setting out the most recent status.

Also, I think we agreed a while ago to subpoena the estate for passenger manifests from Epstein's planes, so would be great if you could flag for them that we plan to serve a subpoena for those.

Very sorry I haven't gotten to this yet, but with everything going on next week, I'd be very grateful if you would please take the lead.

Thanks,
[REDACTED]
