Afternoon,

In reference to case 90C-NY-3154599 we want to request to review footage related to MCC visits. See below for specifics. I will be on leave next week but [REDACTED] on C2 and [REDACTED] on C19 will be handling.

We are seeking views of the entry way screening area and the visitation rooms on 5/31, 6/14, 6/21, 7/5, 7/26, 8/7, 8/14 during visitation hours.

First, we want to understand what is actually available and then a determination can be made on what we need to review.

Thanks in advance!!
