Subject: Availability to assist Tomorrow Morning

Importance: Normal
Priority: Normal
Sensitivity: None

First, thanks to everyone that helped out today... we really appreciate it.

Sorry to have to ask for assistance again --- but is anyone available to escort [REDACTED] over to MCC at 8:30am in the morning? He'll probably need someone to just hang out there with him there while he checks on the downloading of the video....

Thanks!

[REDACTED] and I have been requested to conduct a number of interviews today of BOP employees regarding the Epstein matter. Please respond if you are available to help us out today. We will figure out the logistics this morning and then let whoever can help out know what's needed...

Thanks!
