HI:

I almost forgot: I'd still like to examine the clothing that the decedent was wearing when he was found. If that could be brought to OCME, I'd greatly appreciate it.

Dr,

We are coordinating interviews today. Once I have them completed I will give you the results, should be by days end. At the very least I anticipate interviews of those who discovered the body and what actions they took. Any issues or concerns please call me [REDACTED]
