[REDACTED],
I could not find where [REDACTED] was ever interviewed. I searched the NYFO shared drive and transcription folders but couldn't find anything. The attached interview of Dr. [REDACTED] states the following:

DR. [REDACTED] consulted with DR. [REDACTED] about EPSTEIN's risk factors aside from his psychological health including the high profile case and sex offense charges. When EPSTEIN returned from court that day, DR. [REDACTED] ordered he be placed on watch status to allow psychology to complete a thorough suicide risk assessment. (See Reference #1, attached to this report in a 1A, for further details.)

After a conversation with DR. [REDACTED], the National Suicide Prevention Coordinator from Central Office, DR. [REDACTED] got involved in EPSTEIN's housing. DR. [REDACTED] recommended housing EPSTEIN with a sex offender in SHU, which DR. [REDACTED] passed on via email to executive staff. (See email in Reference #6, attached to this report in a 1A.)

Can you please add him to your list of interviews? We can talk more tomorrow.
Thanks
