4 [REDACTED]: Yes.  
5 [REDACTED]: And you previously told us  
6 that you were off on August 9th, 2019. That  
7 was a Friday. Do you recall?  
8 [REDACTED]: On August 9th, 2019? I think  
9 I was off on the Friday. I think my last day  
10 of working was August 8th, I think it was.  
11 [REDACTED]: August 8th. And do you  
12 recall mentioning to us about an issue with the  
13 camera --  
14 [REDACTED]: Yes.  
15 [REDACTED]: -- system?  
16 [REDACTED]: Yes.  
17 [REDACTED]: And you had addressed that  
18 situation with the communications technician  
19 Hughwon [REDACTED].  
20 [REDACTED]: Yes.  
21 [REDACTED]: And you remember mentioned, I  
22 think the conversation was between - you want  
23 to tell us a little bit about it again? Your  
24 recollection of it.  
25 [REDACTED]: Sure. I was - after I was

6  
1 signature of the Office of Inspector General.  
2 [REDACTED]: Okay. And this is [REDACTED]

19 hand down.  
20 [REDACTED]: Okay.  
21 [REDACTED]: Please let me know if you  
22 don't understand any questions, and I will try  
23 to repeat it, or try to rephrase it for you.  
24 [REDACTED]: Okay.  
25 [REDACTED]: Thank you for taking the time

8  
1 reviewing the camera, I was looking for an  
2 inmate that may have possibly departed the  
3 building. So, I was, I went to the camera to  
4 review the, to see if I can backtrack exactly  
5 when he left the building.  
6 I was present at the SIS office, with the  
7 Associate Warden from MCC New York at the time,  
8 which is AW [REDACTED], we both were looking at the  
9 camera, and at that moment, I noticed I  
10 couldn't rewind on the cameras.  
11 So, I couldn't get any playback. At that  
12 moment, we stopped, you know, like, searching  
13 for the inmate because we couldn't go back any  
14 further than the time we were at. And at that  
15 time, I notified communications tech [REDACTED].  
16 I called him over the radio and let him  
17 know, hey, I'm trying to rewind back the  
18 cameras, and the cameras won't rewind. And he  
19 said he will come and take a look at the system  
20 and see what was going on.  
21 And which he did. He did come down and he  
22 looked at the system, and he said he has to do  
23 overtime to fix the system. At that moment, I  
24 notified Captain [REDACTED]. I apologized  
25 that the cameras was down, and I also provided

1 him with a memorandum, letting him know that  
 2 the camera system was down.  
 3 [REDACTED]: Okay. And we were able to --  
 4 [REDACTED]: Before we get into that,  
 5 though --  
 6 [REDACTED]: Okay. I'm sorry.  
 7 [REDACTED]: -- as far as the - so,  
 8 there was a discrepancy with what you said and  
 9 what AW [REDACTED] said. Did you just rewind one -  
 10 and that's not a big discrepancy - just, did  
 11 you rewind one video at that time, the one you  
 12 were trying to look at, or did you rewind  
 13 multiple, to determine that the -?  
 14 [REDACTED]: No. I went back on quite a  
 15 few.  
 16 [REDACTED]: And was that with AW [REDACTED]  
 17 present?  
 18 [REDACTED]: I can't remember if she  
 19 stayed --  
 20 [REDACTED]: Okay.  
 21 [REDACTED]: -- while I was going back at  
 22 the cameras, to be honest with you.  
 23 [REDACTED]: Because she was saying --  
 24 [REDACTED]: But I -.  
 25 [REDACTED]: -- she thought it was

1 [REDACTED], SIS Lieutenant to J. [REDACTED], Captain.  
 2 [REDACTED]: Mm-hmm.  
 3 [REDACTED]: Subject is, "NiceVision  
 4 (Phonetic Sp. \*00:07:26) camera system." "On  
 5 August 8th, 2019, at approximately 3:45 p.m.,  
 6 while reviewing the Nice camera system, I  
 7 attempted to recover video footage from the  
 8 unit 5-South housing unit."  
 9 [REDACTED]: Yes.  
 10 [REDACTED]: "At this time, I was unable  
 11 to recover any previous recordings from the  
 12 camera. This prompting me to review all of the  
 13 cameras. None of the cameras on the system  
 14 were able to record.  
 15 Therefore, I called communication  
 16 technician H. [REDACTED], via radio. At  
 17 approximately 4:00 p.m., [REDACTED] responding to  
 18 the third floor phone monitoring room to check  
 19 the cameras, and notified me that the cameras  
 20 were not recording, and there was no way to  
 21 retrieve any video. [REDACTED] stated he fixed the  
 22 camera system on Friday, August 9th, 2019, when  
 23 he arrived to work."  
 24 [REDACTED]: Mm-hmm.  
 25 [REDACTED]: Do you recall writing this

1 just one while she was there, so --  
 2 [REDACTED]: Right.  
 3 [REDACTED]: -- if it's -.  
 4 [REDACTED]: I can't remember if she  
 5 stayed, but I did go back on several cameras on  
 6 the housing units and different areas, to see  
 7 can I --  
 8 [REDACTED]: Okay.  
 9 [REDACTED]: -- rewind.  
 10 [REDACTED]: So, you did, but she  
 11 possibly didn't.  
 12 [REDACTED]: Yes. Yes.  
 13 [REDACTED]: Okay. Great.  
 14 [REDACTED]: So, we were able to identify,  
 15 with your assistance, through this document was  
 16 provided to AW [REDACTED], and AW [REDACTED] provided this  
 17 to the MCC attorneys, who in turn provided it  
 18 to the OIG.  
 19 [REDACTED]: Okay.  
 20 [REDACTED]: And this is the memo that was  
 21 written by you. I'm going to read it out for  
 22 the record. Up top it says, the United States  
 23 Government Memorandum. Federal Bureau of  
 24 Prisons. MCC New York. 150 Park Road New  
 25 York. The date is August 10th, 2019, from T.

1 memo?  
 2 [REDACTED]: Yes.  
 3 [REDACTED]: Is this the memo? Okay.  
 4 [REDACTED]: Yes.  
 5 [REDACTED]: Just to clarify, the date  
 6 that you wrote the memo will be on August 10th?  
 7 [REDACTED]: Yes.  
 8 [REDACTED]: This would be the Saturday  
 9 following --  
 10 [REDACTED]: Yes, sir. It would be the  
 11 Saturday.  
 12 [REDACTED]: And August 9th, you were off?  
 13 [REDACTED]: Yes. I'm almost sure I  
 14 wasn't there the Friday. I'm almost sure that  
 15 I wasn't in the building.  
 16 [REDACTED]: That last sentence, that's  
 17 the --  
 18 [REDACTED]: Well, first, just to  
 19 clarify, the August 10th. So, previously, and  
 20 I think again, you just, I think you assumed  
 21 you wrote it on August 8th, but it looks like  
 22 you actually wrote it on the 10th.  
 23 [REDACTED]: I did assume that I wrote it  
 24 on the 8th.  
 25 [REDACTED]: All right.

1 [REDACTED]: I did.  
 2 [REDACTED]: So, looking at that now,  
 3 do you know that it was now written on the  
 4 10th, on the Saturday, as opposed to on that  
 5 Thursday, when you first found out?  
 6 [REDACTED]: Yes.  
 7 [REDACTED]: Okay. So, that's not,  
 8 like, a misunderstanding? That's, now looking  
 9 at it, you're, like, oh, that's correct, you  
 10 actually wrote it on -. So, does that mean  
 11 that you didn't tell Captain [REDACTED] until the  
 12 10th, as well?  
 13 [REDACTED]: No. I definitely told him  
 14 when the cameras was found, because he wouldn't  
 15 have had any footage, have anything occur.  
 16 [REDACTED]: Because when we spoke  
 17 with Captain [REDACTED], he didn't think he would -  
 18 or he said he wasn't told until that Saturday.  
 19 He says he was never informed on that Thursday  
 20 or Friday.  
 21 So, we were just - now seeing that memo -  
 22 we were trying to think, oh, maybe you were  
 23 just mistaken because you were very confident,  
 24 no, I told the Captain, and I provided him the  
 25 memo. So, seeing that, does that maybe make

1 - sorry, let me pause for a second.  
 2 UNKNOWN FEMALE: I'm sorry. Hi. Hi. How  
 3 are you?  
 4 [REDACTED]: We're on a recording,  
 5 just so you know.  
 6 [REDACTED]: So -.  
 7 UNKNOWN FEMALE: Oh, I'm sorry.  
 8 [REDACTED]: Okay.  
 9 [REDACTED]: Just to clarify, the last  
 10 statement --  
 11 [REDACTED]: Yes.  
 12 [REDACTED]: -- does that mean that he  
 13 fixed, stated, now, did [REDACTED] tell you that he  
 14 fixed the camera on August 9th? Or does it  
 15 mean that he told you that he will come in on  
 16 August 9th and fix the camera?  
 17 [REDACTED]: No. On the 8th, he told me  
 18 he was staying that evening to fix the cameras.  
 19 When [REDACTED] seen me on the 10th, when I entered  
 20 the Special Housing Unit, he was in there. I  
 21 don't know if he was working, if he was doing  
 22 overtime.  
 23 But as soon as I entered the Special  
 24 Housing Unit, [REDACTED] immediately approached  
 25 me. Immediately approached me, and I said,

1 you think -?  
 2 [REDACTED]: No. I'm definitely positive  
 3 that I told him when the cameras was down  
 4 because we always do.  
 5 [REDACTED]: Okay.  
 6 [REDACTED]: Because if something  
 7 happened, we need to get footage at that  
 8 moment.  
 9 [REDACTED]: Uh-huh.  
 10 [REDACTED]: And I do recall him asking me  
 11 did I notify [REDACTED] that the cameras was down,  
 12 and I told him I did --  
 13 [REDACTED]: Okay.  
 14 [REDACTED]: -- because [REDACTED] was going  
 15 to stay to do overtime to fix them.  
 16 [REDACTED]: And you're positive that  
 17 that was on the 8th?  
 18 [REDACTED]: I'm positive --  
 19 [REDACTED]: Sorry, go ahead.  
 20 [REDACTED]: -- it was on the 8th.  
 21 [REDACTED]: Sorry. Go ahead.  
 22 [REDACTED]: Okay. And the last thing  
 23 says, "[REDACTED] stated he fixed the camera system  
 24 on Friday, August 9th, when he arrived to  
 25 work." Just to clarify, does that mean that he

1 well, what happened with the camera system?  
 2 Because we had this conversation that you will  
 3 fix it on the 8th. And he said I fixed it  
 4 yesterday. And then, I'm here today, which is  
 5 the 10th, to finish up.  
 6 [REDACTED]: So, you mean, he started  
 7 fixing it yesterday?  
 8 [REDACTED]: So, I'm assuming that, I  
 9 don't know if he started, or if he fixed it,  
 10 but I could only go by what he told me. I  
 11 fixed the camera system, and I'm here to finish  
 12 it up.  
 13 [REDACTED]: Because when you - when  
 14 we spoke to you last, you had mentioned that  
 15 you approached him and said, you told me you  
 16 were going to fix this, and you said, and then  
 17 he told you at that time, yeah, I came in here  
 18 today --  
 19 [REDACTED]: Right.  
 20 [REDACTED]: -- to do it.  
 21 [REDACTED]: Right. So, I was under the  
 22 assumption he started on the 9th, and he still  
 23 had - whatever he had left to do on the 10th,  
 24 and I assume that that's what he was there to  
 25 do.

1 [REDACTED]: Okay. So, not that he  
 2 fixed it on the 9th, but he started to fix it  
 3 on the 9th?  
 4 [REDACTED]: Right. I feel like he  
 5 started to fix it on the 9th, and he was there  
 6 to finish up, because then he was actually on  
 7 overtime in an attempt to, if I'm correct.  
 8 [REDACTED]: Okay.  
 9 [REDACTED]: So, I assumed that he started  
 10 fixing it, and he was there to attempt to  
 11 finish it up.  
 12 [REDACTED]: So, should that last  
 13 sentence then read, he began fixing it on the  
 14 9th? Instead of he fixed it on the 9th?  
 15 [REDACTED]: It should, but again, I can't  
 16 recall. I don't want to say, you know, because  
 17 he told me he fixed the cameras. So, fixing to  
 18 me, I don't know the camera system. So --  
 19 [REDACTED]: So, on the 9th, when they  
 20 knew that they couldn't actually get video, he  
 21 actually said, I did fix it yesterday?  
 22 [REDACTED]: No. On the 9th. I mean,  
 23 sorry, on the 10th.  
 24 [REDACTED]: That's what I mean, on  
 25 the 10th.

1 Now, I don't know what the finish up part for  
 2 today was, to be honest with you. I'm assuming  
 3 the finishing up part was the to get them to  
 4 record, because they were blacked out.  
 5 [REDACTED]: Okay.  
 6 [REDACTED]: Most of the cameras were  
 7 blacked out.  
 8 [REDACTED]: Oh, so, they were  
 9 actually blacked out? So --  
 10 [REDACTED]: It was some cameras that were  
 11 blacked out where it was no screen at all.  
 12 [REDACTED]: Okay.  
 13 [REDACTED]: This was on August 8th?  
 14 [REDACTED]: On August 8th.  
 15 [REDACTED]: Okay. So, he actually  
 16 got the cameras to not be blacked out anymore,  
 17 so meaning, he fixed the cameras that were  
 18 blacked out, and on the 10th, he was going to  
 19 get them to start recording?  
 20 [REDACTED]: That's what I assume.  
 21 [REDACTED]: Okay.  
 22 [REDACTED]: It's just an assumption  
 23 because when I got there the 10th, I didn't  
 24 physically go to see if the black out cameras  
 25 was back online.

1 [REDACTED]: When we arrived, and we  
 2 realized that there was no video over the 9th.  
 3 That's when he stated, I did overtime, I fixed  
 4 it yesterday. And then, we would, me and him  
 5 were having a conversation that it's no video.  
 6 You can't go back. And his thing was, I'm here  
 7 to finish up what I started yesterday.  
 8 [REDACTED]: Huh.  
 9 [REDACTED]: So, I don't --  
 10 [REDACTED]: Was it --  
 11 [REDACTED]: -- know what he fixed,  
 12 because fixing to - I'm sorry - fixing can be  
 13 he bought all of the cameras back up, so the  
 14 cameras are online, but I don't know if they  
 15 were online to record, if that makes any sense.  
 16 [REDACTED]: And so, it's hard for us  
 17 to understand because if he's saying he fixed  
 18 it yesterday, and he's here to finish it today,  
 19 that sounds like it means he started fixing it  
 20 yesterday, and he's --  
 21 [REDACTED]: Right.  
 22 [REDACTED]: -- but what his words  
 23 were, he fixed it yesterday?  
 24 [REDACTED]: His words was, I fixed it  
 25 yesterday, and I'm here to finish up today.

1 [REDACTED]: All right. So, when you  
 2 say fixed in that, you're talking about, he got  
 3 the cameras back up and running, but the  
 4 recording part was going to be fixed on the  
 5 10th?  
 6 [REDACTED]: That's my assumption.  
 7 [REDACTED]: Okay.  
 8 [REDACTED]: It's just an assumption.  
 9 Because I really can't say what he did. I can  
 10 only say --  
 11 [REDACTED]: Well, it --  
 12 [REDACTED]: -- what he said.  
 13 [REDACTED]: -- if he said to you, on  
 14 the 10th, I fixed them yesterday, did you ask  
 15 him then, well, then, why can't we get the  
 16 recordings?  
 17 [REDACTED]: I didn't.  
 18 [REDACTED]: No?  
 19 [REDACTED]: I didn't.  
 20 [REDACTED]: Okay.  
 21 [REDACTED]: Hmm-mm.  
 22 [REDACTED]: But now, your assumption  
 23 is, he fixed the cameras to get them back up  
 24 and running, and on the 10th, he was going to  
 25 fix the recording part.

1 [REDACTED]: He was there to finish  
 2 whatever that fixing was, and I'm assuming that  
 3 it was the recording part because they still  
 4 weren't recording on the 10th.  
 5 [REDACTED]: Okay. But that was an  
 6 assumption on your end?  
 7 [REDACTED]: That was just an assumption  
 8 on my end.  
 9 [REDACTED]: And you didn't ask him  
 10 anything further on that?  
 11 [REDACTED]: I didn't ask him anything  
 12 else.  
 13 [REDACTED]: Okay. Sorry.  
 14 [REDACTED]: No, I didn't.  
 15 [REDACTED]: Go ahead.  
 16 [REDACTED]: Do you recall having a  
 17 conversation with him on the 10th about him not  
 18 having access to the communication room?  
 19 [REDACTED]: No.  
 20 [REDACTED]: On the 9th. Him not being  
 21 able to access the room because there was no  
 22 one there to open the door for him?  
 23 [REDACTED]: No. No. And he would be  
 24 able to have access to the room because all of  
 25 the keys are located in the control center.

1 [REDACTED]: But you recall --  
 2 [REDACTED]: -- I recall times when I told  
 3 the captain, hey, [REDACTED] is going to stay late  
 4 because the camera system is not working, and  
 5 the captain say, okay, I'll be here. And he  
 6 would be and have access to that room.  
 7 [REDACTED]: Does that mean [REDACTED] was  
 8 given the keys, or the captain would go in and  
 9 open the door for him?  
 10 [REDACTED]: That, I'm not sure.  
 11 [REDACTED]: Okay.  
 12 [REDACTED]: That, I'm not sure.  
 13 [REDACTED]: So, do you remember  
 14 around, approximately, what time it was on  
 15 August 8th that you learned that the cameras  
 16 were down?  
 17 [REDACTED]: It was late in the afternoon.  
 18 [REDACTED]: And you're positive it  
 19 was late in the afternoon?  
 20 [REDACTED]: It was in the afternoon.  
 21 [REDACTED]: And when you were  
 22 determining that these cameras were down, you  
 23 actually saw that they were -- because this is  
 24 the first we're hearing that there were blacked  
 25 out cameras, all along we've been told they

1 [REDACTED]: But the center control would  
 2 be locked up, right?  
 3 [REDACTED]: The control center, they  
 4 would - my keys would have been locked behind,  
 5 like, an emergency glass. But he's accessed my  
 6 keys in the past to fix the cameras.  
 7 [REDACTED]: How would he access them?  
 8 [REDACTED]: He would get permission from  
 9 the captain to get my keys because that's who  
 10 has to authorize the keys.  
 11 [REDACTED]: And he would go to the  
 12 captain, and the captain would authorize it,  
 13 and he could just take the keys?  
 14 [REDACTED]: I would hope so --  
 15 [REDACTED]: Mm-hmm.  
 16 [REDACTED]: -- that he would get  
 17 authorization, but he's been there late nights  
 18 when there has been nobody in SIS, fixing the  
 19 cameras.  
 20 [REDACTED]: And you recall specific  
 21 situations where the captain has authorized him  
 22 to take your keys and go into the room?  
 23 [REDACTED]: I can't say I was present  
 24 when he authorized him to take the keys. I'm  
 25 not going to say that I was present. But --

1 were up, they just weren't recording, so there  
 2 was no way to tell that they were --  
 3 [REDACTED]: No. You --  
 4 [REDACTED]: -- down.  
 5 [REDACTED]: -- you had some cameras that  
 6 were offline completely, with an X, I don't  
 7 know if you've ever seen a camera system.  
 8 [REDACTED]: So, was it still review,  
 9 videoing? Like, could you see it, but there  
 10 was this X on it, or was it just all black?  
 11 [REDACTED]: No. You couldn't see.  
 12 [REDACTED]: Okay.  
 13 [REDACTED]: You couldn't see.  
 14 [REDACTED]: And you're positive --  
 15 [REDACTED]: So, seeing --  
 16 [REDACTED]: -- about that?  
 17 [REDACTED]: I'm positive.  
 18 [REDACTED]: So --  
 19 [REDACTED]: Okay. And then, so,  
 20 you're saying, and you're positive that it  
 21 happened late in the afternoon on August 8th?  
 22 [REDACTED]: Yes.  
 23 [REDACTED]: Because Captain [REDACTED]  
 24 left early that day for a doctor's appointment  
 25 on the 8th. So, that goes back to, are you

1 sure you told him on the 8th? Because he  
 2 wasn't there.  
 3 [REDACTED]: No. I spoke to Captain  
 4 [REDACTED] about the cameras because he asked me,  
 5 was I going to fix the cameras? I know it  
 6 definitely was after the lunch, the lunch  
 7 break. So, between - it was afternoon time -  
 8 between 12:00, 1:00.  
 9 [REDACTED]: All right. So, when you  
 10 say late afternoon, before, you're now thinking  
 11 it was actually early afternoon?  
 12 [REDACTED]: Well, that's late afternoon  
 13 for me when I get it --  
 14 [REDACTED]: All right.  
 15 [REDACTED]: -- because I get in 5:00 in  
 16 the morning. So --  
 17 [REDACTED]: Okay.  
 18 [REDACTED]: -- I'm sorry. But it  
 19 definitely was somewhere after the inmates'  
 20 lunch. Between 12:00, 12:00 noon, I want to  
 21 say between 12:00 and 2:00. In that timeframe.  
 22 [REDACTED]: Okay.  
 23 [REDACTED]: I can't tell you exactly the  
 24 time. But it definitely was before I went  
 25 home.

1 [REDACTED]: So, how important is it for  
 2 the camera feed to be working at all times?  
 3 [REDACTED]: Very.  
 4 [REDACTED]: Compared - I know, let's  
 5 talk, separate that out from the actual  
 6 recordings working. How often do people go in  
 7 and view the live feeds?  
 8 [REDACTED]: It's my - this is just,  
 9 again, I would say it should have been daily  
 10 because since I've been at MCC New York, normal  
 11 practice was that the communication shop came  
 12 up every morning, went into that area where, I  
 13 don't know, like, the motherboard was at.  
 14 And they checked it. So, that's what I've  
 15 always used to happening. And they will  
 16 say, hey, you got some cameras down, or A, B,  
 17 C, and D, because SIS uses the cameras a lot.  
 18 You know?  
 19 We going back for video. We looking for  
 20 fights. Like, you know, they're up on our  
 21 desks sometimes who we're just seeing who's  
 22 doing what. So, I would say daily that they  
 23 definitely should be monitored.  
 24 [REDACTED]: Okay. And if the camera  
 25 feeds were not working, I understand the

1 [REDACTED]: Okay. So, you're  
 2 positive they were blacked out, you're positive  
 3 you told Captain [REDACTED]?  
 4 [REDACTED]: Yes.  
 5 [REDACTED]: Sorry. Go ahead, [REDACTED].  
 6 [REDACTED]: How many screens would you  
 7 think were blacked out?  
 8 [REDACTED]: I don't even want to guess  
 9 because it was a lot of cameras up there, but  
 10 it was a good many. I know the housing units  
 11 were recording. The blacked-out cameras, it  
 12 was a lot of the corridors where we buzzed the  
 13 doors, and we opened, a lot of the corridors  
 14 were out. I do remember that. I do remember  
 15 the units were up. The housing units were up.  
 16 [REDACTED]: So, let's talk about that for  
 17 a second. I know it's important for the, how  
 18 important is it for the cameras to be working?  
 19 [REDACTED]: Very.  
 20 [REDACTED]: Now, we have two situations.  
 21 One is, the camera feed not working, which  
 22 would mean being able to view the cameras live.  
 23 And second is the actual recordings not  
 24 working.  
 25 [REDACTED]: Okay.

1 recorder is not, that the recording is not  
 2 there. And we might have spoken about this in  
 3 the past, but should [REDACTED] have gone home for  
 4 the day, or should the recordings, the feeds  
 5 been fixed immediately?  
 6 [REDACTED]: I kind of don't know the  
 7 process of fixing the feeds because I know it  
 8 was times he said he had to order new cameras.  
 9 So, I don't know if they were fixable where he  
 10 had to order new cameras, and had to wait for  
 11 cameras to come in.  
 12 So, I don't even, I don't even know,  
 13 honestly, if he would have been able to fix  
 14 those cameras that was out, or if he needed to  
 15 order new cameras to fix those cameras that was  
 16 out.  
 17 [REDACTED]: You mentioned there were  
 18 quite a few feeds out, right?  
 19 [REDACTED]: Yes.  
 20 [REDACTED]: Do you think it was possible  
 21 that he came in, he told you on the 10th that  
 22 he came in on the 9th and he fixed them. Is it  
 23 possible that he replaced all those cameras by  
 24 the 9th?  
 25 [REDACTED]: Oh, I don't know.

1 [REDACTED]: Okay. Okay.  
 2 [REDACTED]: I don't know.  
 3 [REDACTED]: Any other follow up on that?  
 4 [REDACTED]: No. I mean, I don't  
 5 think he was replacing cameras. Are you  
 6 talking about, like, hard drives that go with  
 7 the cameras?  
 8 [REDACTED]: I think when she said about  
 9 the live feed --  
 10 [REDACTED]: Yeah, yeah.  
 11 [REDACTED]: -- she meant in order to see  
 12 the live feed, he would have to replace some of  
 13 the cameras.  
 14 [REDACTED]: So, you think he actually  
 15 replaced the cameras --  
 16 [REDACTED]: I don't know --  
 17 [REDACTED]: -- or something?  
 18 [REDACTED]: -- if he would have to  
 19 replace them, but I know it was instances that  
 20 he would say, oh, I have to order new cameras.  
 21 So, I assume that those cameras are broke, and  
 22 they need to be replaced.  
 23 [REDACTED]: Okay. Okay. So, on the  
 24 8th, though, you knew that there was actually  
 25 two problems. One, that they were blacked out;

1 [REDACTED]: No. I don't recall any  
 2 housing units being blocked out.  
 3 [REDACTED]: But the housing units  
 4 were the ones that weren't recording?  
 5 [REDACTED]: Right. I know they weren't  
 6 recording.  
 7 [REDACTED]: So, there was just a  
 8 problem with basically all of the cameras that  
 9 you knew of.  
 10 [REDACTED]: It seemed that way to me now.  
 11 Yes.  
 12 [REDACTED]: And did you know, did you  
 13 provide that information to either AW [REDACTED] or  
 14 Captain [REDACTED]?  
 15 [REDACTED]: No. Not about the whole  
 16 system because I kind of don't know how it  
 17 works. So, I said to [REDACTED], hey, you got a  
 18 lot of areas that's blacked out. With a red X.  
 19 [REDACTED]: Okay. And then, so,  
 20 knowing all that information, what is it that  
 21 you told Captain [REDACTED]?  
 22 [REDACTED]: I just told him that I  
 23 couldn't get any - I couldn't go back. They  
 24 weren't recording.  
 25 [REDACTED]: Okay.

1 and two, that they weren't recording.  
 2 [REDACTED]: Yes.  
 3 [REDACTED]: And the ones that weren't  
 4 recording, were they the same ones that were  
 5 blacked out?  
 6 [REDACTED]: Nothing was recording. At  
 7 all.  
 8 [REDACTED]: Nothing. You couldn't  
 9 find anything recording?  
 10 [REDACTED]: No. I couldn't.  
 11 [REDACTED]: Because our understanding  
 12 was half of the cameras were recording and half  
 13 of them weren't. Just the ones you checked  
 14 weren't recording.  
 15 [REDACTED]: Just the ones I checked. And  
 16 normally, that would be the housing areas will  
 17 be where I'll target because that's where the  
 18 inmates at, and that's where --  
 19 [REDACTED]: Okay.  
 20 [REDACTED]: -- unfortunately, the  
 21 incidents usually are.  
 22 [REDACTED]: And what - you said prior  
 23 - I just want to make sure we're clear - with  
 24 the ones that were blacked out were not the  
 25 housing units?

1 [REDACTED]: I didn't say the whole  
 2 institution is not recording because I didn't  
 3 know.  
 4 [REDACTED]: Okay.  
 5 [REDACTED]: It's just the cameras that I  
 6 actually checked.  
 7 [REDACTED]: Okay. And did you tell  
 8 him if it was, like, more than one, though? Or  
 9 did you just say, hey, I can't get anything  
 10 recording, [REDACTED] is coming to fix it?  
 11 [REDACTED]: I can't recall saying more  
 12 than one.  
 13 [REDACTED]: Okay.  
 14 [REDACTED]: I can't recall using those  
 15 words.  
 16 [REDACTED]: All right. And what  
 17 about AW [REDACTED]? Did you, then, fill her in  
 18 after you were reviewing the one camera?  
 19 [REDACTED]: No. No. She left.  
 20 [REDACTED]: She left --  
 21 [REDACTED]: Yeah.  
 22 [REDACTED]: -- so, and you never  
 23 talked to her --  
 24 [REDACTED]: No.  
 25 [REDACTED]: -- about it again.

1 [REDACTED]: Hmm-mm.  
 2 [REDACTED]: All right. And did she  
 3 know the cameras were down, or did she just  
 4 know that you were having a problem rewinding?  
 5 [REDACTED]: I think she - to be honest  
 6 with you - she only knew that I had a problem  
 7 because I couldn't playback that one unit.  
 8 [REDACTED]: Okay.  
 9 [REDACTED]: Because that's the unit that  
 10 we were looking at, which were the cadre units,  
 11 that they go home and go different places.  
 12 Because after we couldn't find that inmate, she  
 13 kind of just left.  
 14 [REDACTED]: Okay. And have you  
 15 spoken with AW [REDACTED] since we last spoke?  
 16 [REDACTED]: No.  
 17 [REDACTED]: No?  
 18 [REDACTED]: No.  
 19 [REDACTED]: So, you didn't talk about  
 20 this matter with her?  
 21 [REDACTED]: No. I just received, I want  
 22 to say an email, or it might have been - I  
 23 can't even say it was after or before, but I  
 24 did receive notification from her that she CC'd  
 25 me on an email about my documentation because

1 [REDACTED]: Do you recall the video that  
 2 you were trying to pull up on August 8th? When  
 3 you were trying to rewind. Were you trying to  
 4 rewind the video for just that day, or from a  
 5 previous day?  
 6 [REDACTED]: I was trying to go back to  
 7 that day, at that time --  
 8 [REDACTED]: So, for August 8th.  
 9 [REDACTED]: -- yes.  
 10 [REDACTED]: Not August 7th, 6th, or  
 11 anything like that.  
 12 [REDACTED]: No.  
 13 [REDACTED]: Okay.  
 14 [REDACTED]: No.  
 15 [REDACTED]: And you said it was 5-  
 16 South?  
 17 [REDACTED]: It was 5 -. It was, I think  
 18 we were looking at 5-South and the 5-South  
 19 sally port. That may be a little foreign.  
 20 It's like the hallway.  
 21 [REDACTED]: Yeah, sure.  
 22 [REDACTED]: In between the two doors.  
 23 [REDACTED]: That's where the elevator is.  
 24 [REDACTED]: And what -.  
 25 [REDACTED]: Right.

1 these were my documents that were in her  
 2 office.  
 3 So, she said, hey, I just want to let you  
 4 know that I gave them to the warden, whoever  
 5 the warden was at that time, that was acting.  
 6 And he stated he would give them to legal.  
 7 [REDACTED]: Okay.  
 8 [REDACTED]: And that was it.  
 9 [REDACTED]: And that's regarding your  
 10 memo that we have right here?  
 11 [REDACTED]: All of my documents.  
 12 [REDACTED]: Okay.  
 13 [REDACTED]: Yeah.  
 14 [REDACTED]: All right.  
 15 [REDACTED]: This would have been included  
 16 --  
 17 [REDACTED]: And what about --  
 18 [REDACTED]: -- in a pile of documents.  
 19 [REDACTED]: -- and what about Captain  
 20 [REDACTED]? Have you spoken with him since we last  
 21 spoke?  
 22 [REDACTED]: No.  
 23 [REDACTED]: Not at all?  
 24 [REDACTED]: I haven't seen him.  
 25 [REDACTED]: Okay.

1 [REDACTED]: And what is 5-South?  
 2 [REDACTED]: 5-South was the cadre unit.  
 3 [REDACTED]: The cadre unit.  
 4 [REDACTED]: Yes.  
 5 [REDACTED]: All right. And can you  
 6 just explain, briefly, what does the cadre unit  
 7 mean?  
 8 [REDACTED]: The cadre units are inmates  
 9 that was designated to MCC New York. So, they  
 10 was very in custody inmates, out custody  
 11 inmates, community custody inmates, but their  
 12 designation was to MCC New York.  
 13 [REDACTED]: So, does that mean  
 14 general population, or is it something  
 15 different than general population?  
 16 [REDACTED]: No. They're general  
 17 population.  
 18 [REDACTED]: Okay.  
 19 [REDACTED]: Yes. They call them the work  
 20 cadres. So, they work around the building, in  
 21 different departments.  
 22 [REDACTED]: So, I'm going to clarify that  
 23 a little bit. A majority of MCC New York, are  
 24 the inmates awaiting trial?  
 25 [REDACTED]: Yes. Pre-trial.

1 [REDACTED]: Pre-trial. Cadre unit, are  
 2 those inmates already sentenced?  
 3 [REDACTED]: Yes.  
 4 [REDACTED]: So, these are post-sentence  
 5 inmates. They are assigned to, already  
 6 sentenced, and they're --  
 7 [REDACTED]: Okay. Assigned to MCC New  
 8 York.  
 9 [REDACTED]: -- yeah. And now, these  
 10 cadre inmates, do they have any special  
 11 privileges?  
 12 [REDACTED]: I wouldn't say special  
 13 privileges, but some do. Meaning, they can  
 14 work.  
 15 [REDACTED]: Work. And what kind of work  
 16 do they do?  
 17 [REDACTED]: You have some on the electric  
 18 detail. Some on the plumbing detail. You have  
 19 the outside detail, which was the Dayton Manor  
 20 detail.  
 21 [REDACTED]: So, they get to move around a  
 22 little bit?  
 23 [REDACTED]: They move around.  
 24 [REDACTED]: Okay.  
 25 [REDACTED]: Are they known as

1 [REDACTED]: Okay.  
 2 [REDACTED]: Okay.  
 3 [REDACTED]: Anything else on -?  
 4 [REDACTED]: I guess the last question  
 5 I would say is, do you know what it was you  
 6 were trying to watch? Like, what happened that  
 7 caused you to try to watch the 5-South video?  
 8 [REDACTED]: I do. I can't recall the  
 9 inmate's name. We were looking for him because  
 10 we suspected that he was involved with an  
 11 incident that OIG Agent [REDACTED] (Phonetic Sp.  
 12 \*00:28:00) was looking into, and myself.  
 13 So, this inmate name kept coming up. I  
 14 can't remember if it was phones or, you know,  
 15 narcotics. I can't remember. But his name  
 16 kept coming up. And me and [REDACTED] [REDACTED] stated,  
 17 okay, we're going to talk to this inmate  
 18 together, to see if he had any role in what we  
 19 were looking at.  
 20 And me and [REDACTED] talked, then I said, this,  
 21 [REDACTED], this inmate got released. And that's  
 22 what made me go and try to see exactly when he  
 23 got released, you know, let me track what time  
 24 he got released, because me and [REDACTED] had even  
 25 spoke about going to - if he got released to

1 orderlies?  
 2 [REDACTED]: Well, any inmate that work,  
 3 even pre-trial inmates who have a job is known  
 4 as orderlies.  
 5 [REDACTED]: Okay.  
 6 [REDACTED]: But cadres, do they get to  
 7 leave the facility?  
 8 [REDACTED]: Some do.  
 9 [REDACTED]: Some. They get to leave MCC,  
 10 some work as town drivers?  
 11 [REDACTED]: Right.  
 12 [REDACTED]: They go to the warehouse.  
 13 Come back.  
 14 [REDACTED]: Yes.  
 15 [REDACTED]: Okay.  
 16 [REDACTED]: Some do. Yes.  
 17 [REDACTED]: So, they are, like, low  
 18 risk inmates?  
 19 [REDACTED]: They're supposed to be, yes.  
 20 [REDACTED]: Okay.  
 21 [REDACTED]: Yes.  
 22 [REDACTED]: But these are sentenced  
 23 inmates that have permanent - at that point,  
 24 they were assigned to MCC.  
 25 [REDACTED]: Yes.

1 the halfway house - we were going to go to the  
 2 halfway house and speak to him.  
 3 [REDACTED]: Okay.  
 4 [REDACTED]: Okay. I'm going to move on.  
 5 [REDACTED]: Go ahead.  
 6 [REDACTED]: I have a document here.  
 7 [REDACTED]: Yeah.  
 8 [REDACTED]: This states, for the record,  
 9 number 104, timestamp 9:00, August 2019. Can  
 10 you let us know what we're looking at?  
 11 [REDACTED]: I don't know what this is.  
 12 So, this was provided by [REDACTED], from the com  
 13 shop.  
 14 [REDACTED]: Okay. So, [REDACTED] provided  
 15 this to who?  
 16 [REDACTED]: To me.  
 17 [REDACTED]: To you?  
 18 [REDACTED]: And I turned this over to OIG  
 19 because they requested the call. The call  
 20 logs.  
 21 [REDACTED]: So, is that --  
 22 [REDACTED]: So, this is the call log.  
 23 But this is foreign except for the date and the  
 24 end date.  
 25 [REDACTED]: So, you wouldn't understand,

41

1 you wouldn't know what this is about?  
2 [REDACTED]: I just know it's a call log.  
3 [REDACTED]: Okay.  
4 [REDACTED]: Because this is what he gave  
5 me. So, I'm assuming this is the date somebody  
6 made a call. Again, the end and time. What  
7 time the other person answered. Just from  
8 looking up here, at the top of it. Everything  
9 down here, I don't know.  
10 [REDACTED]: Now, did [REDACTED] give that to  
11 you based on a request that you asked him for?  
12 Did you ask him for a call, a specific call  
13 log?  
14 [REDACTED]: I want to -.  
15 [REDACTED]: Well, read the date and  
16 time, and then --  
17 [REDACTED]: So --  
18 [REDACTED]: -- maybe that will help.  
19 [REDACTED]: -- the start date on this is  
20 August 9th.  
21 [REDACTED]: Mm-hmm.  
22 [REDACTED]: 2019. The answer date is  
23 August 9th, 2019.  
24 [REDACTED]: Mm-hmm.  
25 [REDACTED]: And the end date is August

43

1 there is numbers and everything, but it doesn't  
2 state specifically.  
3 [REDACTED]: Okay. Do you know  
4 anybody that made a call from the MCC on August  
5 9th, 2019, at approximately 7:00 p.m. that  
6 would be of interest for people that were  
7 investigating?  
8 [REDACTED]: I don't know.  
9 [REDACTED]: So, do you know anything  
10 about Epstein calling and placing a telephone  
11 call from the SHU on August 9th, 2019?  
12 [REDACTED]: Only word of mouth, that I  
13 heard when I got there on the 10th, that he - I  
14 want to say the unit manager gave him a call -  
15 because that was the discussion - the unit  
16 manager gave him a call to his mother.  
17 And at that point, they were saying his  
18 mother was dead. And I don't know if this is  
19 the call, because I don't know how to read it,  
20 but I did hear that part of it.  
21 [REDACTED]: And do you remember if  
22 you asked [REDACTED] for that specific information?  
23 Did Epstein place a call?  
24 [REDACTED]: I wouldn't have asked him did  
25 he place a call? I would have asked him

42

1 9th, 2019. So, it's the same date, right? And  
2 the start time is 18:58:03. So, that means  
3 6:58 p.m.  
4 [REDACTED]: Okay.  
5 [REDACTED]: The answer time is 6:58:22.  
6 So, that means --  
7 [REDACTED]: Mm-hmm.  
8 [REDACTED]: -- 6:58 p.m. And the end  
9 time is 19:19. That's 7:59 p.m.  
10 [REDACTED]: Okay. Yeah.  
11 [REDACTED]: So, the call, it seems that  
12 it lasted about 21 minutes.  
13 [REDACTED]: About 20 minutes. Yeah.  
14 Again, whatever call logs that I asked him for  
15 was call logs that was asked from OIG of me,  
16 hey, I need the call log. They asked for it.  
17 I know they asked for the Special Housing  
18 Units. How many phones were up there. And --  
19 [REDACTED]: And by looking at that,  
20 are you able to tell if that was a Special  
21 Housing Unit call?  
22 [REDACTED]: I don't know.  
23 [REDACTED]: Does it show anything on  
24 there, [REDACTED]?  
25 [REDACTED]: There is a caller station,

44

1 whatever phone numbers that OIG asked me for.  
2 [REDACTED]: Okay. Now, as far as the  
3 information that you just said, which unit  
4 manager provided who a call?  
5 [REDACTED]: It's my understanding that  
6 Unit Manager [REDACTED] gave Mr. Epstein the call.  
7 [REDACTED]: Okay. Sometime on, in  
8 the night of August 9th, 2019?  
9 [REDACTED]: Mm-hmm. That's my  
10 understanding. But that was just hearsay.  
11 People speaking. I didn't witness him give a  
12 phone call. No.  
13 [REDACTED]: But you don't know if  
14 that's the call log for him?  
15 [REDACTED]: I have no idea.  
16 [REDACTED]: Okay.  
17 [REDACTED]: And based on that, if this  
18 was the request for that, if this was the  
19 request for that call log, and this was what  
20 the communications tech pulled up, the call log  
21 that he pulled up, and this is for the SHU,  
22 would this be the phone number listed on the  
23 call log?  
24 [REDACTED]: Oh, I don't know.  
25 [REDACTED]: Okay.

1 [REDACTED]: Because I wouldn't have had  
 2 the number.  
 3 [REDACTED]: Okay.  
 4 [REDACTED]: And we'll just have her  
 5 initial and date both of these.  
 6 [REDACTED]: No problem. On both these  
 7 documents, just initial and date --  
 8 [REDACTED]: So --  
 9 [REDACTED]: Okay.  
 10 [REDACTED]: -- not attesting to it, it's  
 11 just that, these are the documents we showed  
 12 you.  
 13 [REDACTED]: No problem.  
 14 [REDACTED]: And one is the memo from  
 15 August 10th, and the other is the call log from  
 16 August 9th.  
 17 [REDACTED]: Okay.  
 18 [REDACTED]: And again, it's 3/16/22.  
 19 [REDACTED]: Yes, sir.  
 20 [REDACTED]: Do you know what  
 21 Acknowledgement of Inmate form BP-408 is?  
 22 [REDACTED]: BP-408? Oh, I've been out a  
 23 while. BP-408. I'm not sure what --  
 24 [REDACTED]: Give her some --  
 25 [REDACTED]: -- could you --

1 Epstein was assigned a pack and PIN?  
 2 [REDACTED]: Oh, I don't know.  
 3 [REDACTED]: Okay. Well, our  
 4 understanding was Epstein needed to be assigned  
 5 a pack and PIN, and because he was at attorney  
 6 conference all the time, he was never available  
 7 for a pack and PIN to be set up for him.  
 8 And what we're trying to find out is, if  
 9 Epstein was ever assigned a pack and PIN, and  
 10 if he was assigned a pack and PIN, did he ever  
 11 sign a form called Acknowledgement of Inmate  
 12 form, BP-408?  
 13 [REDACTED]: Oh, I don't know.  
 14 [REDACTED]: What about if an inmate  
 15 is afforded a legal call? Do they have to sign  
 16 a form?  
 17 [REDACTED]: Normally, they request the  
 18 legal call. This is my knowledge of being a  
 19 lieutenant. They put a cop-out into their unit  
 20 team, requesting that a legal phone call, and  
 21 somebody from their unit team will come up with  
 22 a logbook, I guess after they verify that that  
 23 is their attorneys number, and they tell the  
 24 attorney, okay, we're going to set up this  
 25 phone call for 10:00. Then they will go up and

1 [REDACTED]: -- yeah. Give her some  
 2 context to that.  
 3 [REDACTED]: I'm going to read.  
 4 [REDACTED]: So, when someone gets a  
 5 pack and PIN, or they're able to use the inmate  
 6 telephone system, would they have to sign  
 7 something called an Acknowledgement of Inmate  
 8 form, BP-408?  
 9 [REDACTED]: I'm not sure. Because I've  
 10 never dealt with their pack and PIN numbers.  
 11 [REDACTED]: So, I'm going to read you  
 12 this. I'm just going to read you this, so that  
 13 you can kind of get a --  
 14 [REDACTED]: It's going to be separate.  
 15 [REDACTED]: -- full. Well, and you  
 16 go. Because you --  
 17 [REDACTED]: Okay.  
 18 [REDACTED]: -- probably understand  
 19 more. Go ahead.  
 20 [REDACTED]: So, do you know anything  
 21 about pack and PINs? When an inmate is  
 22 assigned pack and PINs?  
 23 [REDACTED]: Vaguely. A little about the  
 24 pack and PIN numbers.  
 25 [REDACTED]: Okay. So, do you know if

1 give the phone call to the inmate, and log it  
 2 in the legal call back.  
 3 [REDACTED]: But you're not aware of  
 4 any kind of form that they need to sign as  
 5 opposed to just the logbook?  
 6 [REDACTED]: I'm not sure because that  
 7 would be unit team.  
 8 [REDACTED]: Okay. But you're not --  
 9 you don't remember a BP-408, an Acknowledgement  
 10 of Inmate form, or what it is?  
 11 [REDACTED]: No.  
 12 [REDACTED]: Okay.  
 13 [REDACTED]: Where would we find that? If  
 14 that's a form that we're looking for, inmate  
 15 had signed something like that, where would  
 16 that be kept?  
 17 [REDACTED]: I would think it would be in  
 18 the inmate's central file.  
 19 [REDACTED]: And that would be in the  
 20 central office?  
 21 [REDACTED]: And I would think the unit  
 22 team members would have the central file in  
 23 their area.  
 24 [REDACTED]: Okay. And if the inmate was  
 25 in the SHU, it would be in the SHU?

1 [REDACTED]: It would still be with the  
 2 unit team that the inmate was assigned to.  
 3 [REDACTED]: Okay. And now, I'm going to  
 4 read you a paragraph here. This is about  
 5 federal regulations.  
 6 [REDACTED]: Okay.  
 7 [REDACTED]: "Federal regulations require  
 8 that the warden of each BOP institution  
 9 establish procedures to monitor inmate  
 10 telephone conversations, which is done to  
 11 preserve the security and orderly managing of  
 12 the institution, and to protect the public.  
 13 For safety and security reasons, BOP  
 14 policy requires that all inmate telephone calls  
 15 be made through the inmate telephone system,  
 16 ITS. BOP policy recognizes that on rare  
 17 occasion, in times of crisis, inmates may be  
 18 permitted to make a telephone call outside of  
 19 the ITS.  
 20 In such circumstance, the telephone must  
 21 be placed in a secure area; example, in a  
 22 locked office, and must be set to record  
 23 telephone calls. Additionally, the staff  
 24 member coordinating the call must notify the  
 25 BOP Special Investigative Services (SIS) via

1 [REDACTED]: No.  
 2 [REDACTED]: -- family members?  
 3 [REDACTED]: I didn't know.  
 4 [REDACTED]: Do you know if that was  
 5 against policy if they did something like that?  
 6 [REDACTED]: In my opinion, yes, it's  
 7 against policy because the legal line is for a  
 8 legal phone call.  
 9 [REDACTED]: And what happens if they were  
 10 to allowed to do something like that?  
 11 [REDACTED]: What happens to who?  
 12 [REDACTED]: No. What happens if an  
 13 inmate is allowed to -? What is a call like  
 14 that, if they have to make a call to a  
 15 personal, a personal call, why does the call  
 16 have to be made on a recorded line?  
 17 [REDACTED]: Because it can be a safety  
 18 issue if they have an unmonitored call, because  
 19 there's no way for us to go back and listen to  
 20 the call. It could have been a threat. You  
 21 know, it could have been something that could  
 22 have just been a catastrophe, and that you have  
 23 no way of knowing.  
 24 That's why we have that ICS system in  
 25 place, so we can go back and listen to the

1 email, providing the inmates' name and register  
 2 number, the date and time of the call, the  
 3 number and name of the individual called, and  
 4 the reason for the call. SIS must enter this  
 5 information into the telephone recording system  
 6 within seven days."  
 7 [REDACTED]: Okay.  
 8 [REDACTED]: Do you recall if you ever got  
 9 notified about a call like this for Mr.  
 10 Epstein?  
 11 [REDACTED]: No.  
 12 [REDACTED]: Okay. Was it standard  
 13 practice at MCC if an inmate was ever afforded  
 14 a call like this, would you ever get an email?  
 15 [REDACTED]: No. I've never gotten an  
 16 email.  
 17 [REDACTED]: Were you ever been aware  
 18 of this requirement?  
 19 [REDACTED]: No.  
 20 [REDACTED]: Were you ever aware that  
 21 inmates were given calls like this where a unit  
 22 team member, let's just say if an inmate wasn't  
 23 given a pack and PIN, a unit team member would  
 24 sometimes plug a line in to the legal line, and  
 25 would let them make phone calls to personal --

1 calls, and we can identify anything that was  
 2 abnormal.  
 3 [REDACTED]: And I know this is Monday  
 4 morning quarterbacking the situation, but a  
 5 situation like this, with Mr. Epstein, the fact  
 6 of the circumstances that surrounded what  
 7 happened between August 9th and 10th, looking  
 8 back that he was allowed to make a phone call  
 9 like that on August 9th, should that have been  
 10 allowed?  
 11 [REDACTED]: No. In my opinion, no.  
 12 [REDACTED]: Why not?  
 13 [REDACTED]: It goes back to what I  
 14 stated. We have no way of monitoring those  
 15 phone calls. So, we don't know if - you know,  
 16 just an example - if I may, we don't know if it  
 17 was to intimidate a witness.  
 18 We just don't know the context of the call  
 19 because we can't go back to listen. We don't  
 20 even know in the call if he was saying, hey,  
 21 I'm feeling like this, because you have no way  
 22 of going back and listening to that call.  
 23 [REDACTED]: And being that someone, that  
 24 he was allowed to make that phone call, should  
 25 someone have been standing there with him,

1 monitoring that phone call?  
 2 [REDACTED]: Yes.  
 3 [REDACTED]: Okay. And should that have  
 4 been logged up? Should that have been a log?  
 5 That a call like that was made.  
 6 [REDACTED]: Yes.  
 7 [REDACTED]: Okay. Anything else on that?  
 8 [REDACTED]: You just have a question  
 9 here. On that last note.  
 10 [REDACTED]: The call log?  
 11 [REDACTED]: This one. Sorry.  
 12 [REDACTED]: Oh. I think she answered  
 13 that.  
 14 [REDACTED]: Okay.  
 15 [REDACTED]: You mentioned before the call  
 16 log that we showed you, that's the call log --  
 17 [REDACTED]: Oh, that's the log --  
 18 [REDACTED]: -- that's the --  
 19 [REDACTED]: -- I thought you were  
 20 talking about this other log that you just  
 21 mentioned.  
 22 [REDACTED]: No, no, no.  
 23 [REDACTED]: I'm sorry.  
 24 [REDACTED]: That call log that you said  
 25 that --

1 [REDACTED]: -- would know if you can go  
 2 back and pull those timeframes up.  
 3 [REDACTED]: So, just to run through the  
 4 day. Let's just say Michael Thomas, Tova Noel,  
 5 the situation, they're up there on the tier,  
 6 and they discover Epstein.  
 7 [REDACTED]: Yes.  
 8 [REDACTED]: And they wanted to hit the -  
 9 they wanted to notify control, hey, there is an  
 10 emergency. How would they notify control?  
 11 [REDACTED]: They should hit their body  
 12 alarms which --  
 13 [REDACTED]: Which is located where?  
 14 [REDACTED]: -- on their radio.  
 15 [REDACTED]: So, they both have a radio,  
 16 or just one person?  
 17 [REDACTED]: Up in the SHU, they both  
 18 should have radios. But I don't know if they  
 19 both had radios. But I know a body alarm is  
 20 assigned to the Special Housing.  
 21 [REDACTED]: It's assigned. And the body  
 22 alarm is where?  
 23 [REDACTED]: The body alarm, one of the  
 24 officers have to carry it. I'm not too sure if  
 25 they all do. I really can't remember. But I -

1 [REDACTED]: No. Disregard.  
 2 [REDACTED]: -- okay.  
 3 [REDACTED]: You can move on.  
 4 [REDACTED]: No problem. Now, we're  
 5 moving on to August 10th.  
 6 [REDACTED]: Okay.  
 7 [REDACTED]: Would there be a record of  
 8 the exact time Correctional Officer Tova Noel  
 9 pushed the emergency button on her radio? Like  
 10 -?  
 11 [REDACTED]: I'm not too sure if -. I  
 12 know when you key up the radios, they do  
 13 register on the control panels. In the control  
 14 center. But I don't know if that's recorded,  
 15 where they can run, like, that's how they ran  
 16 the telephone log. I'm not too sure. Only Mr.  
 17 [REDACTED] will know that because he's a com shop.  
 18 [REDACTED]: So, he would be able to pull  
 19 it up?  
 20 [REDACTED]: Maybe. He would be the  
 21 only one --  
 22 [REDACTED]: He would be the only one --  
 23 [REDACTED]: -- to answer.  
 24 [REDACTED]: -- that --  
 25 [REDACTED]: Could answer it.

1 -  
 2 [REDACTED]: Is it separate from the  
 3 radio?  
 4 [REDACTED]: -- no.  
 5 [REDACTED]: Or no, no. It's a button on  
 6 the radio --  
 7 [REDACTED]: It's just a button on the  
 8 radio.  
 9 [REDACTED]: -- okay.  
 10 [REDACTED]: And once you hit that body  
 11 alarm, it goes throughout the whole building,  
 12 on everybody's radio.  
 13 [REDACTED]: And at least one officer in  
 14 the SHU is assigned that?  
 15 [REDACTED]: At least one officer should  
 16 have the body alarm in the SHU.  
 17 [REDACTED]: So, it's just a special  
 18 radio that has an alarm?  
 19 [REDACTED]: Yes.  
 20 [REDACTED]: But it's called the body  
 21 alarm?  
 22 [REDACTED]: They're called body alarms.  
 23 [REDACTED]: Okay.  
 24 [REDACTED]: What does it look like on the  
 25 radio?

1 [REDACTED]: It's an orange button.  
 2 Orange or red button.  
 3 [REDACTED]: And when they hit it,  
 4 everyone gets notified?  
 5 [REDACTED]: It goes across all the  
 6 radios.  
 7 [REDACTED]: And what is normal practice?  
 8 Like, once it hits, what transpires?  
 9 [REDACTED]: Whoever is in the building  
 10 responds to that area. When you hit that body  
 11 alarm, it pops on the control panel, and a big  
 12 screen, and we can see exactly where it's  
 13 coming from.  
 14 [REDACTED]: Okay. And is that the  
 15 control officer?  
 16 [REDACTED]: The control officer will call  
 17 it. You know, we have a body alarm in the  
 18 Special Housing Unit.  
 19 [REDACTED]: And who is supposed to  
 20 respond?  
 21 [REDACTED]: Normally, everybody who has a  
 22 radio and who is not supervising inmates  
 23 respond to that area.  
 24 [REDACTED]: Every supervisor?  
 25 [REDACTED]: If they're in the building,

1 [REDACTED]: But it's not, like, oh, yeah,  
 2 and you ring the, you put the - or you press  
 3 the body alarm, it's like a matter of seconds,  
 4 oh, yeah, someone is there, it takes about two  
 5 to three minutes on average?  
 6 [REDACTED]: Yes. If somebody is there in  
 7 a matter of seconds, that mean they're right  
 8 outside the door when that alarm went out, but  
 9 most of the time, we have to get elevators, we  
 10 have to run up the stairs. So, we have to get  
 11 to the area.  
 12 [REDACTED]: Okay. Is there one officer  
 13 controlling the elevator?  
 14 [REDACTED]: The control center is  
 15 controlling the elevator.  
 16 [REDACTED]: So, that control officer  
 17 would have to know where the officers --  
 18 [REDACTED]: To pick --  
 19 [REDACTED]: -- are going?  
 20 [REDACTED]: -- everybody up. Because  
 21 everybody will come across the radio. Hey,  
 22 pick me up on two. Pick me up on three. Pick  
 23 me up on four. So, that officer has to start  
 24 picking up from every floor.  
 25 [REDACTED]: Do they keep a log of

1 they should be.  
 2 [REDACTED]: What about if you are  
 3 assigned the housing unit? Are you allowed to  
 4 leave the housing unit?  
 5 [REDACTED]: No.  
 6 [REDACTED]: No.  
 7 [REDACTED]: You're not supposed to, no.  
 8 [REDACTED]: But if, let's say you're  
 9 internal and you're moving around, you're  
 10 supposed to respond?  
 11 [REDACTED]: Yes.  
 12 [REDACTED]: So, as long as you're not  
 13 assigned to a housing unit, and you're just  
 14 there in the facility, you're supposed to  
 15 respond?  
 16 [REDACTED]: Right.  
 17 [REDACTED]: Is there certain officer  
 18 that's assigned to respond for emergencies?  
 19 [REDACTED]: No. There is no specific  
 20 assignment.  
 21 [REDACTED]: Okay. What is the average  
 22 time it takes for additional correctional  
 23 officers to respond in a case of emergency?  
 24 [REDACTED]: Normally, within two to three  
 25 minutes.

1 everything that transpires when an emergency  
 2 happens?  
 3 [REDACTED]: What do you mean, a log of  
 4 everything --  
 5 [REDACTED]: Let's just say --  
 6 [REDACTED]: -- that transpires?  
 7 [REDACTED]: -- like, the stuff that comes  
 8 over the radio. Like, the calls that come  
 9 over, and when a body alarm is hit, do they  
 10 keep track of, hey, this call came over the  
 11 call, or this person responded.  
 12 [REDACTED]: The practice should be, once  
 13 the body alarm goes off, that control center  
 14 has a logbook, as well. So, the control center  
 15 officer should have that in their logbook.  
 16 7:15, a body alarm went off in the Special  
 17 Housing Unit, for example.  
 18 [REDACTED]: Okay.  
 19 [REDACTED]: And if I was the responding  
 20 lieutenant, and I cleared that body alarm,  
 21 let's say at 7:20, that logbook should also  
 22 say, 7:20, body alarm cleared by Lieutenant  
 23 [REDACTED].  
 24 [REDACTED]: Okay. And this logbook, it's  
 25 called the control officer logbook?

1 [REDACTED]: Yes.  
 2 [REDACTED]: Okay. Okay.  
 3 [REDACTED]: How often do body alarms  
 4 go off? Or would they, around that time? Is  
 5 that, like, a daily occurrence, or is it  
 6 weekly, or -?  
 7 [REDACTED]: I want to say almost daily,  
 8 it's body alarms.  
 9 [REDACTED]: Okay. So, people are  
 10 very familiar with what to do when a body alarm  
 11 --  
 12 [REDACTED]: Yes.  
 13 [REDACTED]: -- goes off. Now, just a  
 14 quick question. If an operations lieutenant is  
 15 relieved at, like, 6:00 a.m., let's say, or  
 16 prior, the alarm goes off at 6:33, but that  
 17 operations lieutenant is still in the building,  
 18 working on documentation, would that operations  
 19 lieutenant, even though they've been relieved,  
 20 would they be required to respond --  
 21 [REDACTED]: They should. Yes.  
 22 [REDACTED]: -- they should still  
 23 respond?  
 24 [REDACTED]: Yes.  
 25 [REDACTED]: So, even though they've

1 activated?  
 2 [REDACTED]: Normally, you hear it.  
 3 [REDACTED]: Oh, so, everyone could  
 4 hear it?  
 5 [REDACTED]: Yeah. You hear it.  
 6 [REDACTED]: Okay. So, like, because  
 7 it's a loud sound?  
 8 [REDACTED]: Yes.  
 9 [REDACTED]: Does it go throughout the  
 10 institution? Or just on the radios?  
 11 [REDACTED]: It just go on the radios, but  
 12 it's really loud. So, even if somebody is  
 13 using the bathroom, if they have their radio,  
 14 you hear it.  
 15 [REDACTED]: Okay.  
 16 [REDACTED]: You hear it.  
 17 [REDACTED]: Like, as in, like, if a  
 18 radio is going off outside of the bathroom,  
 19 even if they don't have their radio in the  
 20 bathroom, is that what you mean?  
 21 [REDACTED]: You'll hear it.  
 22 [REDACTED]: Okay. So --  
 23 [REDACTED]: You'll hear it.  
 24 [REDACTED]: -- the person using the  
 25 restroom would hear a radio that was outside of

1 been relieved for their shift --  
 2 [REDACTED]: Yes.  
 3 [REDACTED]: -- should --  
 4 [REDACTED]: You still should respond  
 5 because you're physically still in the  
 6 building.  
 7 [REDACTED]: Okay. And would that  
 8 operations lieutenant have given back their  
 9 radio, though, already if they were already  
 10 relieved? Or would they still have a radio on  
 11 them?  
 12 [REDACTED]: If they're sitting in the  
 13 office, well, let me backtrack so I don't seem  
 14 confusing. The operations lieutenant that was  
 15 relieved would turn the radio up to the  
 16 relieving lieutenant.  
 17 So, we're not assigned individual radios.  
 18 You have one assigned for operations  
 19 lieutenant, and one assigned for activities  
 20 lieutenant. So, if I relieve you, [REDACTED], I'm  
 21 going to give you - you're going to give me  
 22 your radio and your keys.  
 23 [REDACTED]: So, if that person was  
 24 relieved, and then is working on documentation,  
 25 how would they know that a body alarm was

1 the restroom, is what you mean?  
 2 [REDACTED]: Yes.  
 3 [REDACTED]: Okay.  
 4 [REDACTED]: And then, the lieutenant's  
 5 office, the way it's set up in MCC New York, is  
 6 we also have the Nice camera system set up with  
 7 big screen TVs, as such. So, if you are there  
 8 and you see people running, your first instinct  
 9 going to be, what's going on? Everybody is  
 10 running.  
 11 [REDACTED]: Okay.  
 12 [REDACTED]: So, if you're still in the  
 13 office, and --  
 14 [REDACTED]: If you're in the office.  
 15 [REDACTED]: -- office, and you're still  
 16 doing work --  
 17 [REDACTED]: Mm-hmm.  
 18 [REDACTED]: -- you should be able to see.  
 19 [REDACTED]: Yes, because I think it's  
 20 about three or four big screen TVs in there.  
 21 [REDACTED]: Now, is it a requirement  
 22 that they respond, or just they should respond?  
 23 [REDACTED]: I don't, I can't recall a  
 24 policy on if you've been relieved, but you  
 25 definitely should respond.

1 [REDACTED]: Okay. Would that be a  
 2 sound correctional judgment?  
 3 [REDACTED]: Yes.  
 4 [REDACTED]: Okay.  
 5 [REDACTED]: I'm going to move on.  
 6 [REDACTED]: Yup.  
 7 [REDACTED]: I'm going to, this document  
 8 that I'm showing you --  
 9 [REDACTED]: Yes.  
 10 [REDACTED]: -- is dated Friday, August  
 11 9th, 2019. And then, the back is dated  
 12 Saturday, August 10th, 2019. Can you let us  
 13 know what this document is?  
 14 [REDACTED]: Yes. Well, this is called  
 15 the SHU locator form.  
 16 [REDACTED]: What does that mean?  
 17 [REDACTED]: It's basically all of the  
 18 ranges in SHU, and the cell numbers, and the  
 19 inmates that's assigned to the cells.  
 20 [REDACTED]: Okay. So, basically, a  
 21 roster for the SHU.  
 22 [REDACTED]: It's a roster for the SHU,  
 23 cell assignments, who's the cell, assigned to  
 24 what cell.  
 25 [REDACTED]: Okay. And then, the bottom

1 "United States Department of Justice, Federal  
 2 Bureau of Prisons, MCC New York. Transfer  
 3 Receipt." This is dated Friday, August 9th,  
 4 2019. Received from [REDACTED]. Warden MCC  
 5 New York. "Following United States prisoners."  
 6 Sorry, it's a little tough to read.  
 7 [REDACTED]: No.  
 8 [REDACTED]: "Prisoners together with  
 9 complete files for transfer as indicated WAB,  
 10 USMS, SDNY." What is this document?  
 11 [REDACTED]: I have -. This is an R&D -.  
 12 [REDACTED]: So, you've never seen one of  
 13 these documents?  
 14 [REDACTED]: Documents. I don't know what  
 15 that is. Well, it's a transfer receipt. But I  
 16 don't know when they do it, and for, obviously,  
 17 why they do it. I don't know.  
 18 [REDACTED]: But you've never seen one of  
 19 these before?  
 20 [REDACTED]: No. I've never physically  
 21 seen the transfer receipt.  
 22 [REDACTED]: And this is not, you don't  
 23 think this is one of those documents that goes  
 24 out to the units, saying these are the inmates  
 25 that are getting transferred?

1 here, on L-tier, 220-U, and 220-L. Who are the  
 2 inmates assigned on there?  
 3 [REDACTED]: Inmate [REDACTED] and Inmate  
 4 Epstein.  
 5 [REDACTED]: What is C/F? You see the  
 6 letters next to Epstein's name, it says C/F?  
 7 C/F.  
 8 [REDACTED]: Yes.  
 9 [REDACTED]: What does that mean?  
 10 [REDACTED]: Common fear. Common fear  
 11 meal. Meaning, he got some kind of, I don't  
 12 know what was his religion.  
 13 [REDACTED]: So, it's --  
 14 [REDACTED]: But it's a religious --  
 15 [REDACTED]: -- yeah.  
 16 [REDACTED]: -- meal.  
 17 [REDACTED]: Okay.  
 18 [REDACTED]: That's the common fear.  
 19 [REDACTED]: I just wanted to get  
 20 clarification on that.  
 21 [REDACTED]: Mm-hmm.  
 22 [REDACTED]: Just have her initial and  
 23 date it.  
 24 [REDACTED]: Okay.  
 25 [REDACTED]: Next document, it states

1 [REDACTED]: Hmm. I don't think so.  
 2 Because I've never seen it. As a lieutenant, I  
 3 would have seen it, and if we had good officers  
 4 in there, I would have received a copy, as  
 5 well. I've only seen the rosters. The  
 6 physical rosters. Never the transfer receipts  
 7 go out to the unit.  
 8 [REDACTED]: And when you say it's a  
 9 transfer receipt, does that mean that it's  
 10 created after the prisoner is transferred?  
 11 [REDACTED]: I don't know.  
 12 [REDACTED]: Okay.  
 13 [REDACTED]: I don't know.  
 14 [REDACTED]: The signature on that bottom.  
 15 Do you recognize that name by any chance?  
 16 [REDACTED]: No.  
 17 [REDACTED]: Okay.  
 18 [REDACTED]: (Indiscernible \*00:50:39). I  
 19 don't know who that is.  
 20 [REDACTED]: Okay. No problem.  
 21 [REDACTED]: Two minutes. Two  
 22 minutes.  
 23 [REDACTED]: And this is just the last  
 24 set.  
 25 [REDACTED]: Sure.

1 [REDACTED]: What I'm showing you are  
 2 pictures. It is in black and white.  
 3 Unfortunately, we were not able to print it in  
 4 color. There's two pictures here. I need -  
 5 you to initial these after.  
 6 [REDACTED]: Sure.  
 7 [REDACTED]: These are, these pictures  
 8 were taken by the coroner's office, just to  
 9 clarify.  
 10 [REDACTED]: Okay.  
 11 [REDACTED]: And these were taken at the  
 12 MCC, just to clarify. These look like AED  
 13 machines?  
 14 [REDACTED]: Yes.  
 15 [REDACTED]: And do you know what this is?  
 16 [REDACTED]: It looks like a --  
 17 [REDACTED]: (Indiscernible \*00:51:24).  
 18 [REDACTED]: -- a home-made noose.  
 19 [REDACTED]: A home-made noose.  
 20 [REDACTED]: Yes.  
 21 [REDACTED]: Have you seen this before?  
 22 [REDACTED]: Yes.  
 23 [REDACTED]: Do you know what this is?  
 24 And to us, in the - because it's in black and  
 25 white, and I know in the picture it looks black

1 [REDACTED]: I've never seen a divider put  
 2 up.  
 3 [REDACTED]: Okay.  
 4 [REDACTED]: Since I've been a lieutenant.  
 5 [REDACTED]: Okay. No problem. Can you  
 6 initial and date?  
 7 [REDACTED]: Do you know if there was  
 8 a divider put up after Epstein was removed, so  
 9 that - because it was a crime scene?  
 10 [REDACTED]: I don't know. When I got  
 11 there, there was no divider up.  
 12 [REDACTED]: Okay. So, you don't  
 13 recall --  
 14 [REDACTED]: Once I arrived. No.  
 15 [REDACTED]: -- you don't recall --  
 16 [REDACTED]: I didn't see --  
 17 [REDACTED]: -- a divider.  
 18 [REDACTED]: -- a divider.  
 19 [REDACTED]: Okay.  
 20 [REDACTED]: No.  
 21 [REDACTED]: Since the last time we spoke,  
 22 was there anything else that came to mind you  
 23 think that you would want to share with us,  
 24 anything else that you think would be pertinent  
 25 to our investigation?

1 --  
 2 [REDACTED]: Mm-hmm.  
 3 [REDACTED]: -- to us, in color, it looks  
 4 like a curtain.  
 5 [REDACTED]: No. It looks -. How can I -  
 6 ? It's like a divider.  
 7 [REDACTED]: Okay.  
 8 [REDACTED]: On wheels.  
 9 [REDACTED]: That's what we need you to  
 10 clarify. So, where is this picture taken?  
 11 [REDACTED]: I'm not too sure where they  
 12 took this picture at.  
 13 [REDACTED]: The divider on wheels. Was  
 14 this something that was brought up to the SHU,  
 15 or was this somewhere else?  
 16 [REDACTED]: I don't know. I don't know.  
 17 [REDACTED]: Do you recall something like  
 18 that, like, that was brought up into the SHU to  
 19 cover up Epstein's cell, or was this brought in  
 20 the health center to help?  
 21 [REDACTED]: I don't know.  
 22 [REDACTED]: Would the divider be - if  
 23 an inmate committed suicide - would a divider  
 24 be put up outside of his cell so that other  
 25 inmates can't see what's going on?

1 [REDACTED]: Nothing that I thought about.  
 2 I felt like you guys touched on everything when  
 3 we spoke.  
 4 [REDACTED]: Well, thank you again for  
 5 taking the time --  
 6 [REDACTED]: No problem.  
 7 [REDACTED]: -- to talk to us.  
 8 [REDACTED]: Any time.  
 9 [REDACTED]: All right. Thank you,  
 10 thank you.  
 11 [REDACTED]: No problem.  
 12 [REDACTED]: Oh, and just, you still  
 13 are a lieutenant, you said? Correct?  
 14 [REDACTED]: Yes.  
 15 [REDACTED]: And you're right now  
 16 assigned to the MDC --  
 17 [REDACTED]: Yes.  
 18 [REDACTED]: -- but on leave?  
 19 [REDACTED]: Yes.  
 20 [REDACTED]: Okay. But you're  
 21 expecting to return to the MDC?  
 22 [REDACTED]: Yes.  
 23 [REDACTED]: Okay. Thank you.  
 24 [REDACTED]: You're welcome.  
 25 [REDACTED]: This is Special Agent [REDACTED]
