20 MS. [REDACTED]: Okay.

21 MR. [REDACTED]: Please let me know if you  
22 don't understand any questions, and I will try  
23 to repeat it, or try to rephrase it for you.

24 MS. [REDACTED]: Okay.

25 MR. [REDACTED]: Thank you for taking the time

1 to meet with us today. You previously told us  
2 - we'll jump right into it - you met with us in  
3 the past.

4 MS. [REDACTED]: Yes.

5 MR. [REDACTED]: And you previously told us  
6 that you were off on August 9th, 2019. That  
7 was a Friday. Do you recall?

8 MS. [REDACTED]: On August 9th, 2019? I think  
9 I was off on the Friday. I think my last day  
10 of working was August 8th, I think it was.

11 MR. [REDACTED]: August 8th. And do you  
12 recall mentioning to us about an issue with the  
13 camera --

14 MS. [REDACTED]: Yes.

15 MR. [REDACTED]: -- system?

16 MS. [REDACTED]: Yes.

17 MR. [REDACTED]: And you had addressed that  
18 situation with the communications technician  
19 [REDACTED].

20 MS. [REDACTED]: Yes.

21 MR. [REDACTED]: And you remember mentioned, I  
22 think the conversation was between - you want  
23 to tell us a little bit about it again? Your  
24 recollection of it.

25 MS. [REDACTED]: Sure. I was - after I was

1 reviewing the camera, I was looking for an  
2 inmate that may have possibly departed the  
3 building. So, I was, I went to the camera to  
4 review the, to see if I can backtrack exactly  
5 when he left the building.

6 I was present at the SIS office, with the  
7 Associate Warden from MCC New York at the time,  
8 which is AW [REDACTED], we both were looking at the  
9 camera, and at that moment, I noticed I  
10 couldn't rewind on the cameras.

11 So, I couldn't get any playback. At that  
12 moment, we stopped, you know, like, searching  
13 for the inmate because we couldn't go back any  
14 further than the time we were at. And at that  
15 time, I notified communications tech [REDACTED].

16 I called him over the radio and let him  
17 know, hey, I'm trying to rewind back the  
18 cameras, and the cameras won't rewind. And he  
19 said he will come and take a look at the system  
20 and see what was going on.

21 And which he did. He did come down and he  
22 looked at the system, and he said he has to do  
23 overtime to fix the system. At that moment, I  
24 notified Captain [REDACTED]. I apologized  
25 that the cameras was down, and I also provided

1 him with a memorandum, letting him know that  
2 the camera system was down.

3 MR. [REDACTED]: Okay. And we were able to --

4 MR. [REDACTED]: Before we get into that,  
5 though --

6 MS. [REDACTED]: Okay. I'm sorry.

7 MR. [REDACTED]: -- as far as the - so,  
8 there was a discrepancy with what you said and  
9 what AW [REDACTED] said. Did you just rewind one -  
10 and that's not a big discrepancy - just, did  
11 you rewind one video at that time, the one you  
12 were trying to look at, or did you rewind  
13 multiple, to determine that the -?

14 MS. [REDACTED]: No. I went back on quite a  
15 few.

16 MR. [REDACTED]: And was that with AW [REDACTED]  
17 present?

18 MS. [REDACTED]: I can't remember if she  
19 stayed --

20 MR. [REDACTED]: Okay.

21 MS. [REDACTED]: -- while I was going back at  
22 the cameras, to be honest with you.

23 MR. [REDACTED]: Because she was saying --

24 MS. [REDACTED]: But I -.

25 MR. [REDACTED]: -- she thought it was

1 just one while she was there, so --

2 MS. [REDACTED]: Right.

3 MR. [REDACTED]: -- if it's --

4 MS. [REDACTED]: I can't remember if she  
5 stayed, but I did go back on several cameras on  
6 the housing units and different areas, to see  
7 can I --

8 MR. [REDACTED]: Okay.

9 MS. [REDACTED]: -- rewind.

10 MR. [REDACTED]: So, you did, but she  
11 possibly didn't.

12 MS. [REDACTED]: Yes. Yes.

13 MR. [REDACTED]: Okay. Great.

14 MR. [REDACTED]: So, we were able to identify,  
15 with your assistance, through this document was  
16 provided to AW [REDACTED], and AW [REDACTED] provided this  
17 to the MCC attorneys, who in turn provided it  
18 to the OIG.

19 MS. [REDACTED]: Okay.

20 MR. [REDACTED]: And this is the memo that was  
21 written by you. I'm going to read it out for  
22 the record. Up top it says, the United States  
23 Government Memorandum. Federal Bureau of  
24 Prisons. MCC New York. [REDACTED] New  
25 York. The date is August 10th, 2019, from [REDACTED]

1 [REDACTED], SIS Lieutenant to [REDACTED], Captain.

2 MS. [REDACTED]: Mm-hmm.

3 MR. [REDACTED]: Subject is, "NiceVision  
4 (Phonetic Sp. \*00:07:26) camera system." "On  
5 August 8th, 2019, at approximately 3:45 p.m.,  
6 while reviewing the Nice camera system, I  
7 attempted to recover video footage from the  
8 unit 5-South housing unit."

9 MS. [REDACTED]: Yes.

10 MR. [REDACTED]: "At this time, I was unable  
11 to recover any previous recordings from the  
12 camera. This prompting me to review all of the  
13 cameras. None of the cameras on the system  
14 were able to record.

15 Therefore, I called communication  
16 technician [REDACTED], via radio. At  
17 approximately 4:00 p.m., [REDACTED] responding to  
18 the third floor phone monitoring room to check  
19 the cameras, and notified me that the cameras  
20 were not recording, and there was no way to  
21 retrieve any video. [REDACTED] stated he fixed the  
22 camera system on Friday, August 9th, 2019, when  
23 he arrived to work."

24 MS. [REDACTED]: Mm-hmm.

25 MR. [REDACTED]: Do you recall writing this

1 memo?

2 MS. [REDACTED]: Yes.

3 MR. [REDACTED]: Is this the memo? Okay.

4 MS. [REDACTED]: Yes.

5 MR. [REDACTED]: Just to clarify, the date  
6 that you wrote the memo will be on August 10th?

7 MS. [REDACTED]: Yes.

8 MR. [REDACTED]: This would be the Saturday  
9 following --

10 MS. [REDACTED]: Yes, sir. It would be the  
11 Saturday.

12 MR. [REDACTED]: And August 9th, you were off?

13 MS. [REDACTED]: Yes. I'm almost sure I  
14 wasn't there the Friday. I'm almost sure that  
15 I wasn't in the building.

16 MR. [REDACTED]: That last sentence, that's  
17 the --

18 MR. [REDACTED]: Well, first, just to  
19 clarify, the August 10th. So, previously, and  
20 I think again, you just, I think you assumed  
21 you wrote it on August 8th, but it looks like  
22 you actually wrote it on the 10th.

23 MS. [REDACTED]: I did assume that I wrote it  
24 on the 8th.

25 MR. [REDACTED]: All right.

1 MS. [REDACTED]: I did.

2 MR. [REDACTED]: So, looking at that now,  
3 do you know that it was now written on the  
4 10th, on the Saturday, as opposed to on that  
5 Thursday, when you first found out?

6 MS. [REDACTED]: Yes.

7 MR. [REDACTED]: Okay. So, that's not,  
8 like, a misunderstanding? That's, now looking  
9 at it, you're, like, oh, that's correct, you  
10 actually wrote it on -. So, does that mean  
11 that you didn't tell Captain [REDACTED] until the  
12 10th, as well?

13 MS. [REDACTED]: No. I definitely told him  
14 when the cameras was found, because he wouldn't  
15 have had any footage, have anything occur.

16 MR. [REDACTED]: Because when we spoke  
17 with Captain [REDACTED], he didn't think he would -  
18 or he said he wasn't told until that Saturday.  
19 He says he was never informed on that Thursday  
20 or Friday.

21 So, we were just - now seeing that memo -  
22 we were trying to think, oh, maybe you were  
23 just mistaken because you were very confident,  
24 no, I told the Captain, and I provided him the  
25 memo. So, seeing that, does that maybe make

1 you think -?

2 MS. [REDACTED]: No. I'm definitely positive  
3 that I told him when the cameras was down  
4 because we always do.

5 MR. [REDACTED]: Okay.

6 MS. [REDACTED]: Because if something  
7 happened, we need to get footage at that  
8 moment.

9 MR. [REDACTED]: Uh-huh.

10 MS. [REDACTED]: And I do recall him asking me  
11 did I notify [REDACTED] that the cameras was down,  
12 and I told him I did --

13 MR. [REDACTED]: Okay.

14 MS. [REDACTED]: -- because [REDACTED] was going  
15 to stay to do overtime to fix them.

16 MR. [REDACTED]: And you're positive that  
17 that was on the 8th?

18 MS. [REDACTED]: I'm positive --

19 MR. [REDACTED]: Sorry, go ahead.

20 MS. [REDACTED]: -- it was on the 8th.

21 MR. [REDACTED]: Sorry. Go ahead.

22 MR. [REDACTED]: Okay. And the last thing  
23 says, "[REDACTED] stated he fixed the camera system  
24 on Friday, August 9th, when he arrived to  
25 work." Just to clarify, does that mean that he

1 - sorry, let me pause for a second.

2 UNKNOWN FEMALE: I'm sorry. Hi. Hi. How  
3 are you?

4 MR. [REDACTED]: We're on a recording,  
5 just so you know.

6 MR. [REDACTED]: So -.

7 UNKNOWN FEMALE: Oh, I'm sorry.

8 MR. [REDACTED]: Okay.

9 MR. [REDACTED]: Just to clarify, the last  
10 statement --

11 MS. [REDACTED]: Yes.

12 MR. [REDACTED]: -- does that mean that he  
13 fixed, stated, now, did [REDACTED] tell you that he  
14 fixed the camera on August 9th? Or does it  
15 mean that he told you that he will come in on  
16 August 9th and fix the camera?

17 MS. [REDACTED]: No. On the 8th, he told me  
18 he was staying that evening to fix the cameras.  
19 When [REDACTED] seen me on the 10th, when I entered  
20 the Special Housing Unit, he was in there. I  
21 don't know if he was working, if he was doing  
22 overtime.

23 But as soon as I entered the Special  
24 Housing Unit, Mr. [REDACTED] immediately approached  
25 me. Immediately approached me, and I said,

1 well, what happened with the camera system?  
2 Because we had this conversation that you will  
3 fix it on the 8th. And he said I fixed it  
4 yesterday. And then, I'm here today, which is  
5 the 10th, to finish up.

6 MR. [REDACTED]: So, you mean, he started  
7 fixing it yesterday?

8 MS. [REDACTED]: So, I'm assuming that, I  
9 don't know if he started, or if he fixed it,  
10 but I could only go by what he told me. I  
11 fixed the camera system, and I'm here to finish  
12 it up.

13 MR. [REDACTED]: Because when you - when  
14 we spoke to you last, you had mentioned that  
15 you approached him and said, you told me you  
16 were going to fix this, and you said, and then  
17 he told you at that time, yeah, I came in here  
18 today --

19 MS. [REDACTED]: Right.

20 MR. [REDACTED]: -- to do it.

21 MS. [REDACTED]: Right. So, I was under the  
22 assumption he started on the 9th, and he still  
23 had - whatever he had left to do on the 10th,  
24 and I assume that that's what he was there to  
25 do.

1 MR. [REDACTED]: Okay. So, not that he  
2 fixed it on the 9th, but he started to fix it  
3 on the 9th?

4 MS. [REDACTED]: Right. I feel like he  
5 started to fix it on the 9th, and he was there  
6 to finish up, because then he was actually on  
7 overtime in an attempt to, if I'm correct.

8 MR. [REDACTED]: Okay.

9 MS. [REDACTED]: So, I assumed that he started  
10 fixing it, and he was there to attempt to  
11 finish it up.

12 MR. [REDACTED]: So, should that last  
13 sentence then read, he began fixing it on the  
14 9th? Instead of he fixed it on the 9th?

15 MS. [REDACTED]: It should, but again, I can't  
16 recall. I don't want to say, you know, because  
17 he told me he fixed the cameras. So, fixing to  
18 me, I don't know the camera system. So --

19 MR. [REDACTED]: So, on the 9th, when they  
20 knew that they couldn't actually get video, he  
21 actually said, I did fix it yesterday?

22 MS. [REDACTED]: No. On the 9th. I mean,  
23 sorry, on the 10th.

24 MR. [REDACTED]: That's what I mean, on  
25 the 10th.

1 MS. [REDACTED]: When we arrived, and we  
2 realized that there was no video over the 9th.  
3 That's when he stated, I did overtime, I fixed  
4 it yesterday. And then, we would, me and him  
5 were having a conversation that it's no video.  
6 You can't go back. And his thing was, I'm here  
7 to finish up what I started yesterday.

8 MR. [REDACTED]: Huh.

9 MS. [REDACTED]: So, I don't --

10 MR. [REDACTED]: Was it --

11 MS. [REDACTED]: -- know what he fixed,  
12 because fixing to - I'm sorry - fixing can be  
13 he bought all of the cameras back up, so the  
14 cameras are online, but I don't know if they  
15 were online to record, if that makes any sense.

16 MR. [REDACTED]: And so, it's hard for us  
17 to understand because if he's saying he fixed  
18 it yesterday, and he's here to finish it today,  
19 that sounds like it means he started fixing it  
20 yesterday, and he's --

21 MS. [REDACTED]: Right.

22 MR. [REDACTED]: -- but what his words  
23 were, he fixed it yesterday?

24 MS. [REDACTED]: His words was, I fixed it  
25 yesterday, and I'm here to finish up today.

1 Now, I don't know what the finish up part for  
2 today was, to be honest with you. I'm assuming  
3 the finishing up part was the to get them to  
4 record, because they were blacked out.

5 MR. [REDACTED]: Okay.

6 MS. [REDACTED]: Most of the cameras were  
7 blacked out.

8 MR. [REDACTED]: Oh, so, they were  
9 actually blacked out? So --

10 MS. [REDACTED]: It was some cameras that were  
11 blacked out where it was no screen at all.

12 MR. [REDACTED]: Okay.

13 MR. [REDACTED]: This was on August 8th?

14 MS. [REDACTED]: On August 8th.

15 MR. [REDACTED]: Okay. So, he actually  
16 got the cameras to not be blacked out anymore,  
17 so meaning, he fixed the cameras that were  
18 blacked out, and on the 10th, he was going to  
19 get them to start recording?

20 MS. [REDACTED]: That's what I assume.

21 MR. [REDACTED]: Okay.

22 MS. [REDACTED]: It's just an assumption  
23 because when I got there the 10th, I didn't  
24 physically go to see if the black out cameras  
25 was back online.

1 MR. [REDACTED]: All right. So, when you  
2 say fixed in that, you're talking about, he got  
3 the cameras back up and running, but the  
4 recording part was going to be fixed on the  
5 10th?

6 MS. [REDACTED]: That's my assumption.

7 MR. [REDACTED]: Okay.

8 MS. [REDACTED]: It's just an assumption.  
9 Because I really can't say what he did. I can  
10 only say --

11 MR. [REDACTED]: Well, it --

12 MS. [REDACTED]: -- what he said.

13 MR. [REDACTED]: -- if he said to you, on  
14 the 10th, I fixed them yesterday, did you ask  
15 him then, well, then, why can't we get the  
16 recordings?

17 MS. [REDACTED]: I didn't.

18 MR. [REDACTED]: No?

19 MS. [REDACTED]: I didn't.

20 MR. [REDACTED]: Okay.

21 MS. [REDACTED]: Hmm-mm.

22 MR. [REDACTED]: But now, your assumption  
23 is, he fixed the cameras to get them back up  
24 and running, and on the 10th, he was going to  
25 fix the recording part.

1 MS. [REDACTED]: He was there to finish  
2 whatever that fixing was, and I'm assuming that  
3 it was the recording part because they still  
4 weren't recording on the 10th.

5 MR. [REDACTED]: Okay. But that was an  
6 assumption on your end?

7 MS. [REDACTED]: That was just an assumption  
8 on my end.

9 MR. [REDACTED]: And you didn't ask him  
10 anything further on that?

11 MS. [REDACTED]: I didn't ask him anything  
12 else.

13 MR. [REDACTED]: Okay. Sorry.

14 MS. [REDACTED]: No, I didn't.

15 MR. [REDACTED]: Go ahead.

16 MR. [REDACTED]: Do you recall having a  
17 conversation with him on the 10th about him not  
18 having access to the communication room?

19 MS. [REDACTED]: No.

20 MR. [REDACTED]: On the 9th. Him not being  
21 able to access the room because there was no  
22 one there to open the door for him?

23 MS. [REDACTED]: No. No. And he would be  
24 able to have access to the room because all of  
25 the keys are located in the control center.

1 MR. [REDACTED]: But the center control would  
2 be locked up, right?

3 MS. [REDACTED]: The control center, they  
4 would - my keys would have been locked behind,  
5 like, an emergency glass. But he's accessed my  
6 keys in the past to fix the cameras.

7 MR. [REDACTED]: How would he access them?

8 MS. [REDACTED]: He would get permission from  
9 the captain to get my keys because that's who  
10 has to authorize the keys.

11 MR. [REDACTED]: And he would go to the  
12 captain, and the captain would authorize it,  
13 and he could just take the keys?

14 MS. [REDACTED]: I would hope so --

15 MR. [REDACTED]: Mm-hmm.

16 MS. [REDACTED]: -- that he would get  
17 authorization, but he's been there late nights  
18 when there has been nobody in SIS, fixing the  
19 cameras.

20 MR. [REDACTED]: And you recall specific  
21 situations where the captain has authorized him  
22 to take your keys and go into the room?

23 MS. [REDACTED]: I can't say I was present  
24 when he authorized him to take the keys. I'm  
25 not going to say that I was present. But --

1 MR. [REDACTED]: But you recall --

2 MS. [REDACTED]: -- I recall times when I told  
3 the captain, hey, [REDACTED] is going to stay late  
4 because the camera system is not working, and  
5 the captain say, okay, I'll be here. And he  
6 would be and have access to that room.

7 MR. [REDACTED]: Does that mean [REDACTED] was  
8 given the keys, or the captain would go in and  
9 open the door for him?

10 MS. [REDACTED]: That, I'm not sure.

11 MR. [REDACTED]: Okay.

12 MS. [REDACTED]: That, I'm not sure.

13 MR. [REDACTED]: So, do you remember  
14 around, approximately, what time it was on  
15 August 8th that you learned that the cameras  
16 were down?

17 MS. [REDACTED]: It was late in the afternoon.

18 MR. [REDACTED]: And you're positive it  
19 was late in the afternoon?

20 MS. [REDACTED]: It was in the afternoon.

21 MR. [REDACTED]: And when you were  
22 determining that these cameras were down, you  
23 actually saw that they were -- because this is  
24 the first we're hearing that there were blacked  
25 out cameras, all along we've been told they

1 were up, they just weren't recording, so there  
2 was no way to tell that they were --

3 MS. [REDACTED]: No. You --

4 MR. [REDACTED]: -- down.

5 MS. [REDACTED]: -- you had some cameras that  
6 were offline completely, with an X, I don't  
7 know if you've ever seen a camera system.

8 MR. [REDACTED]: So, was it still review,  
9 videoing? Like, could you see it, but there  
10 was this X on it, or was it just all black?

11 MS. [REDACTED]: No. You couldn't see.

12 MR. [REDACTED]: Okay.

13 MS. [REDACTED]: You couldn't see.

14 MR. [REDACTED]: And you're positive --

15 MR. [REDACTED]: So, seeing -.

16 MR. [REDACTED]: -- about that?

17 MS. [REDACTED]: I'm positive.

18 MR. [REDACTED]: So -.

19 MR. [REDACTED]: Okay. And then, so,  
20 you're saying, and you're positive that it  
21 happened late in the afternoon on August 8th?

22 MS. [REDACTED]: Yes.

23 MR. [REDACTED]: Because Captain [REDACTED]  
24 left early that day for a [REDACTED] appointment  
25 on the 8th. So, that goes back to, are you

1 sure you told him on the 8th? Because he  
2 wasn't there.

3 MS. [REDACTED]: No. I spoke to Captain  
4 [REDACTED] about the cameras because he asked me,  
5 was I going to fix the cameras? I know it  
6 definitely was after the lunch, the lunch  
7 break. So, between - it was afternoon time -  
8 between 12:00, 1:00.

9 MR. [REDACTED]: All right. So, when you  
10 say late afternoon, before, you're now thinking  
11 it was actually early afternoon?

12 MS. [REDACTED]: Well, that's late afternoon  
13 for me when I get it --

14 MR. [REDACTED]: All right.

15 MS. [REDACTED]: -- because I get in 5:00 in  
16 the morning. So --

17 MR. [REDACTED]: Okay.

18 MS. [REDACTED]: -- I'm sorry. But it  
19 definitely was somewhere after the inmates'  
20 lunch. Between 12:00, 12:00 noon, I want to  
21 say between 12:00 and 2:00. In that timeframe.

22 MR. [REDACTED]: Okay.

23 MS. [REDACTED]: I can't tell you exactly the  
24 time. But it definitely was before I went  
25 home.

1 MR. [REDACTED]: Okay. So, you're  
2 positive they were blacked out, you're positive  
3 you told Captain [REDACTED]?

4 MS. [REDACTED]: Yes.

5 MR. [REDACTED]: Sorry. Go ahead, [REDACTED].

6 MR. [REDACTED]: How many screens would you  
7 think were blacked out?

8 MS. [REDACTED]: I don't even want to guess  
9 because it was a lot of cameras up there, but  
10 it was a good many. I know the housing units  
11 were recording. The blacked-out cameras, it  
12 was a lot of the corridors where we buzzed the  
13 doors, and we opened, a lot of the corridors  
14 were out. I do remember that. I do remember  
15 the units were up. The housing units were up.

16 MR. [REDACTED]: So, let's talk about that for  
17 a second. I know it's important for the, how  
18 important is it for the cameras to be working?

19 MS. [REDACTED]: Very.

20 MR. [REDACTED]: Now, we have two situations.  
21 One is, the camera feed not working, which  
22 would mean being able to view the cameras live.  
23 And second is the actual recordings not  
24 working.

25 MS. [REDACTED]: Okay.

1 MR. [REDACTED]: So, how important is it for  
2 the camera feed to be working at all times?

3 MS. [REDACTED]: Very.

4 MR. [REDACTED]: Compared - I know, let's  
5 talk, separate that out from the actual  
6 recordings working. How often do people go in  
7 and view the live feeds?

8 MS. [REDACTED]: It's my - this is just,  
9 again, I would say it should have been daily  
10 because since I've been at MCC New York, normal  
11 practice was that the communication shop came  
12 up every morning, went into that area where, I  
13 don't know, like, the motherboard was at.

14 And they checked it. So, that's what I've  
15 always was used to happening. And they will  
16 say, hey, you got some cameras down, or A, B,  
17 C, and D, because SIS uses the cameras a lot.  
18 You know?

19 We going back for video. We looking for  
20 fights. Like, you know, they're up on our  
21 desks sometimes who we're just seeing who's  
22 doing what. So, I would say daily that they  
23 definitely should be monitored.

24 MR. [REDACTED]: Okay. And if the camera  
25 feeds were not working, I understand the

1 recorder is not, that the recording is not  
2 there. And we might have spoken about this in  
3 the past, but should [REDACTED] have gone home for  
4 the day, or should the recordings, the feeds  
5 been fixed immediately?

6 MS. [REDACTED]: I kind of don't know the  
7 process of fixing the feeds because I know it  
8 was times he said he had to order new cameras.  
9 So, I don't know if they were fixable where he  
10 had to order new cameras, and had to wait for  
11 cameras to come in.

12 So, I don't even, I don't even know,  
13 honestly, if he would have been able to fix  
14 those cameras that was out, or if he needed to  
15 order new cameras to fix those cameras that was  
16 out.

17 MR. [REDACTED]: You mentioned there were  
18 quite a few feeds out, right?

19 MS. [REDACTED]: Yes.

20 MR. [REDACTED]: Do you think it was possible  
21 that he came in, he told you on the 10th that  
22 he came in on the 9th and he fixed them. Is it  
23 possible that he replaced all those cameras by  
24 the 9th?

25 MS. [REDACTED]: Oh, I don't know.

1 MR. [REDACTED]: Okay. Okay.

2 MS. [REDACTED]: I don't know.

3 MR. [REDACTED]: Any other follow up on that?

4 MR. [REDACTED]: No. I mean, I don't  
5 think he was replacing cameras. Are you  
6 talking about, like, hard drives that go with  
7 the cameras?

8 MR. [REDACTED]: I think when she said about  
9 the live feed --

10 MR. [REDACTED]: Yeah, yeah.

11 MR. [REDACTED]: -- she meant in order to see  
12 the live feed, he would have to replace some of  
13 the cameras.

14 MR. [REDACTED]: So, you think he actually  
15 replaced the cameras --

16 MS. [REDACTED]: I don't know --

17 MR. [REDACTED]: -- or something?

18 MS. [REDACTED]: -- if he would have to  
19 replace them, but I know it was instances that  
20 he would say, oh, I have to order new cameras.  
21 So, I assume that those cameras are broke, and  
22 they need to be replaced.

23 MR. [REDACTED]: Okay. Okay. So, on the  
24 8th, though, you knew that there was actually  
25 two problems. One, that they were blacked out;

1 and two, that they weren't recording.

2 MS. [REDACTED]: Yes.

3 MR. [REDACTED]: And the ones that weren't  
4 recording, were they the same ones that were  
5 blacked out?

6 MS. [REDACTED]: Nothing was recording. At  
7 all.

8 MR. [REDACTED]: Nothing. You couldn't  
9 find anything recording?

10 MS. [REDACTED]: No. I couldn't.

11 MR. [REDACTED]: Because our understanding  
12 was half of the cameras were recording and half  
13 of them weren't. Just the ones you checked  
14 weren't recording.

15 MS. [REDACTED]: Just the ones I checked. And  
16 normally, that would be the housing areas will  
17 be where I'll target because that's where the  
18 inmates at, and that's where --

19 MR. [REDACTED]: Okay.

20 MS. [REDACTED]: -- unfortunately, the  
21 incidents usually are.

22 MR. [REDACTED]: And what - you said prior  
23 - I just want to make sure we're clear - with  
24 the ones that were blacked out were not the  
25 housing units?

1 MS. [REDACTED]: No. I don't recall any  
2 housing units being blocked out.

3 MR. [REDACTED]: But the housing units  
4 were the ones that weren't recording?

5 MS. [REDACTED]: Right. I know they weren't  
6 recording.

7 MR. [REDACTED]: So, there was just a  
8 problem with basically all of the cameras that  
9 you knew of.

10 MS. [REDACTED]: It seemed that way to me now.  
11 Yes.

12 MR. [REDACTED]: And did you know, did you  
13 provide that information to either AW [REDACTED] or  
14 Captain [REDACTED]?

15 MS. [REDACTED]: No. Not about the whole  
16 system because I kind of don't know how it  
17 works. So, I said to [REDACTED], hey, you got a  
18 lot of areas that's blacked out. With a red X.

19 MR. [REDACTED]: Okay. And then, so,  
20 knowing all that information, what is it that  
21 you told Captain [REDACTED]?

22 MS. [REDACTED]: I just told him that I  
23 couldn't get any - I couldn't go back. They  
24 weren't recording.

25 MR. [REDACTED]: Okay.

1 MS. [REDACTED]: I didn't say the whole  
2 institution is not recording because I didn't  
3 know.

4 MR. [REDACTED]: Okay.

5 MS. [REDACTED]: It's just the cameras that I  
6 actually checked.

7 MR. [REDACTED]: Okay. And did you tell  
8 him if it was, like, more than one, though? Or  
9 did you just say, hey, I can't get anything  
10 recording, [REDACTED] is coming to fix it?

11 MS. [REDACTED]: I can't recall saying more  
12 than one.

13 MR. [REDACTED]: Okay.

14 MS. [REDACTED]: I can't recall using those  
15 words.

16 MR. [REDACTED]: All right. And what  
17 about AW [REDACTED]? Did you, then, fill her in  
18 after you were reviewing the one camera?

19 MS. [REDACTED]: No. No. She left.

20 MR. [REDACTED]: She left --

21 MS. [REDACTED]: Yeah.

22 MR. [REDACTED]: -- so, and you never  
23 talked to her --

24 MS. [REDACTED]: No.

25 MR. [REDACTED]: -- about it again.

1 MS. [REDACTED]: Hmm-mm.

2 MR. [REDACTED]: All right. And did she  
3 know the cameras were down, or did she just  
4 know that you were having a problem rewinding?

5 MS. [REDACTED]: I think she - to be honest  
6 with you - she only knew that I had a problem  
7 because I couldn't playback that one unit.

8 MR. [REDACTED]: Okay.

9 MS. [REDACTED]: Because that's the unit that  
10 we were looking at, which were the cadre units,  
11 that they go home and go different places.  
12 Because after we couldn't find that inmate, she  
13 kind of just left.

14 MR. [REDACTED]: Okay. And have you  
15 spoken with AW [REDACTED] since we last spoke?

16 MS. [REDACTED]: No.

17 MR. [REDACTED]: No?

18 MS. [REDACTED]: No.

19 MR. [REDACTED]: So, you didn't talk about  
20 this matter with her?

21 MS. [REDACTED]: No. I just received, I want  
22 to say an email, or it might have been - I  
23 can't even say it was after or before, but I  
24 did receive notification from her that she CC'd  
25 me on an email about my documentation because

1 these were my documents that were in her  
2 office.

3 So, she said, hey, I just want to let you  
4 know that I gave them to the warden, whoever  
5 the warden was at that time, that was acting.  
6 And he stated he would give them to legal.

7 MR. [REDACTED]: Okay.

8 MS. [REDACTED]: And that was it.

9 MR. [REDACTED]: And that's regarding your  
10 memo that we have right here?

11 MS. [REDACTED]: All of my documents.

12 MR. [REDACTED]: Okay.

13 MS. [REDACTED]: Yeah.

14 MR. [REDACTED]: All right.

15 MS. [REDACTED]: This would have been included

16 --

17 MR. [REDACTED]: And what about --

18 MS. [REDACTED]: -- in a pile of documents.

19 MR. [REDACTED]: -- and what about Captain  
20 [REDACTED]? Have you spoken with him since we last  
21 spoke?

22 MS. [REDACTED]: No.

23 MR. [REDACTED]: Not at all?

24 MS. [REDACTED]: I haven't seen him.

25 MR. [REDACTED]: Okay.

1 MR. [REDACTED]: Do you recall the video that  
2 you were trying to pull up on August 8th? When  
3 you were trying to rewind. Were you trying to  
4 rewind the video for just that day, or from a  
5 previous day?

6 MS. [REDACTED]: I was trying to go back to  
7 that day, at that time --

8 MR. [REDACTED]: So, for August 8th.

9 MS. [REDACTED]: -- yes.

10 MR. [REDACTED]: Not August 7th, 6th, or  
11 anything like that.

12 MS. [REDACTED]: No.

13 MR. [REDACTED]: Okay.

14 MS. [REDACTED]: No.

15 MR. [REDACTED]: And you said it was 5-  
16 South?

17 MS. [REDACTED]: It was 5 -. It was, I think  
18 we were looking at 5-South and the 5-South  
19 sally port. That may be a little foreign.  
20 It's like the hallway.

21 MR. [REDACTED]: Yeah, sure.

22 MS. [REDACTED]: In between the two doors.

23 MR. [REDACTED]: That's where the elevator is.

24 MR. [REDACTED]: And what -.

25 MS. [REDACTED]: Right.

1 MR. [REDACTED]: And what is 5-South?

2 MS. [REDACTED]: 5-South was the cadre unit.

3 MR. [REDACTED]: The cadre unit.

4 MS. [REDACTED]: Yes.

5 MR. [REDACTED]: All right. And can you  
6 just explain, briefly, what does the cadre unit  
7 mean?

8 MS. [REDACTED]: The cadre units are inmates  
9 that was designated to MCC New York. So, they  
10 was very in custody inmates, out custody  
11 inmates, community custody inmates, but their  
12 designation was to MCC New York.

13 MR. [REDACTED]: So, does that mean  
14 general population, or is it something  
15 different than general population?

16 MS. [REDACTED]: No. They're general  
17 population.

18 MR. [REDACTED]: Okay.

19 MS. [REDACTED]: Yes. They call them the work  
20 cadres. So, they work around the building, in  
21 different departments.

22 MR. [REDACTED]: So, I'm going to clarify that  
23 a little bit. A majority of MCC New York, are  
24 the inmates awaiting trial?

25 MS. [REDACTED]: Yes. Pre-trial.

1 MR. [REDACTED]: Pre-trial. Cadre unit, are  
2 those inmates already sentenced?

3 MS. [REDACTED]: Yes.

4 MR. [REDACTED]: So, these are post-sentence  
5 inmates. They are assigned to, already  
6 sentenced, and they're --

7 MS. [REDACTED]: Okay. Assigned to MCC New  
8 York.

9 MR. [REDACTED]: -- yeah. And now, these  
10 cadre inmates, do they have any special  
11 privileges?

12 MS. [REDACTED]: I wouldn't say special  
13 privileges, but some do. Meaning, they can  
14 work.

15 MR. [REDACTED]: Work. And what kind of work  
16 do they do?

17 MS. [REDACTED]: You have some on the electric  
18 detail. Some on the plumbing detail. You have  
19 the outside detail, which was the Dayton Manor  
20 detail.

21 MR. [REDACTED]: So, they get to move around a  
22 little bit?

23 MS. [REDACTED]: They move around.

24 MR. [REDACTED]: Okay.

25 MR. [REDACTED]: Are they known as

1 orderlies?

2 MS. [REDACTED]: Well, any inmate that work,  
3 even pre-trial inmates who have a job is known  
4 as orderlies.

5 MR. [REDACTED]: Okay.

6 MR. [REDACTED]: But cadres, do they get to  
7 leave the facility?

8 MS. [REDACTED]: Some do.

9 MR. [REDACTED]: Some. They get to leave MCC,  
10 some work as town drivers?

11 MS. [REDACTED]: Right.

12 MR. [REDACTED]: They go to the warehouse.

13 Come back.

14 MS. [REDACTED]: Yes.

15 MR. [REDACTED]: Okay.

16 MS. [REDACTED]: Some do. Yes.

17 MR. [REDACTED]: So, they are, like, low  
18 risk inmates?

19 MS. [REDACTED]: They're supposed to be, yes.

20 MR. [REDACTED]: Okay.

21 MS. [REDACTED]: Yes.

22 MR. [REDACTED]: But these are sentenced  
23 inmates that have permanent - at that point,  
24 they were assigned to MCC.

25 MS. [REDACTED]: Yes.

1 MR. [REDACTED]: Okay.

2 MR. [REDACTED]: Okay.

3 MR. [REDACTED]: Anything else on -?

4 MR. [REDACTED]: I guess the last question  
5 I would say is, do you know what it was you  
6 were trying to watch? Like, what happened that  
7 caused you to try to watch the 5-South video?

8 MS. [REDACTED]: I do. I can't recall the  
9 inmate's name. We were looking for him because  
10 we suspected that he was involved with an  
11 incident that OIG Agent [REDACTED] (Phonetic Sp.  
12 \*00:28:00) was looking into, and myself.

13 So, this inmate name kept coming up. I  
14 can't remember if it was phones or, you know,  
15 narcotics. I can't remember. But his name  
16 kept coming up. And me and [REDACTED] stated,  
17 okay, we're going to talk to this inmate  
18 together, to see if he had any role in what we  
19 were looking at.

20 And me and [REDACTED] talked, then I said, this,  
21 [REDACTED], this inmate got released. And that's  
22 what made me go and try to see exactly when he  
23 got released, you know, let me track what time  
24 he got released, because me and [REDACTED] had even  
25 spoke about going to - if he got released to

1 the halfway house - we were going to go to the  
2 halfway house and speak to him.

3 MR. [REDACTED]: Okay.

4 MR. [REDACTED]: Okay. I'm going to move on.

5 MR. [REDACTED]: Go ahead.

6 MR. [REDACTED]: I have a document here.

7 MS. [REDACTED]: Yeah.

8 MR. [REDACTED]: This states, for the record,  
9 number 104, timestamp 9:00, August 2019. Can  
10 you let us know what we're looking at?

11 MS. [REDACTED]: I don't know what this is.  
12 So, this was provided by [REDACTED], from the com  
13 shop.

14 MR. [REDACTED]: Okay. So, [REDACTED] provided  
15 this to who?

16 MS. [REDACTED]: To me.

17 MR. [REDACTED]: To you?

18 MS. [REDACTED]: And I turned this over to OIG  
19 because they requested the call. The call  
20 logs.

21 MR. [REDACTED]: So, is that --

22 MS. [REDACTED]: So, this is the call log.  
23 But this is foreign except for the date and the  
24 end date.

25 MR. [REDACTED]: So, you wouldn't understand,

1 you wouldn't know what this is about?

2 MS. [REDACTED]: I just know it's a call log.

3 MR. [REDACTED]: Okay.

4 MS. [REDACTED]: Because this is what he gave  
5 me. So, I'm assuming this is the date somebody  
6 made a call. Again, the end and time. What  
7 time the other person answered. Just from  
8 looking up here, at the top of it. Everything  
9 down here, I don't know.

10 MR. [REDACTED]: Now, did [REDACTED] give that to  
11 you based on a request that you asked him for?  
12 Did you ask him for a call, a specific call  
13 log?

14 MS. [REDACTED]: I want to -.

15 MR. [REDACTED]: Well, read the date and  
16 time, and then --

17 MR. [REDACTED]: So --

18 MR. [REDACTED]: -- maybe that will help.

19 MR. [REDACTED]: -- the start date on this is  
20 August 9th.

21 MS. [REDACTED]: Mm-hmm.

22 MR. [REDACTED]: 2019. The answer date is  
23 August 9th, 2019.

24 MS. [REDACTED]: Mm-hmm.

25 MR. [REDACTED]: And the end date is August

1 9th, 2019. So, it's the same date, right? And  
2 the start time is 18:58:03. So, that means  
3 6:58 p.m.

4 MS. [REDACTED]: Okay.

5 MR. [REDACTED]: The answer time is 6:58:22.

6 So, that means --

7 MS. [REDACTED]: Mm-hmm.

8 MR. [REDACTED]: -- 6:58 p.m. And the end  
9 time is 19:19. That's 7:59 p.m.

10 MS. [REDACTED]: Okay. Yeah.

11 MR. [REDACTED]: So, the call, it seems that  
12 it lasted about 21 minutes.

13 MS. [REDACTED]: About 20 minutes. Yeah.

14 Again, whatever call logs that I asked him for  
15 was call logs that was asked from OIG of me,  
16 hey, I need the call log. They asked for it.  
17 I know they asked for the Special Housing  
18 Units. How many phones were up there. And --

19 MR. [REDACTED]: And by looking at that,  
20 are you able to tell if that was a Special  
21 Housing Unit call?

22 MS. [REDACTED]: I don't know.

23 MR. [REDACTED]: Does it show anything on  
24 there, [REDACTED]?

25 MR. [REDACTED]: There is a caller station,

1 there is numbers and everything, but it doesn't  
2 state specifically.

3 MR. [REDACTED]: Okay. Do you know  
4 anybody that made a call from the MCC on August  
5 9th, 2019, at approximately 7:00 p.m. that  
6 would be of interest for people that were  
7 investigating?

8 MS. [REDACTED]: I don't know.

9 MR. [REDACTED]: So, do you know anything  
10 about Epstein calling and placing a telephone  
11 call from the SHU on August 9th, 2019?

12 MS. [REDACTED]: Only word of mouth, that I  
13 heard when I got there on the 10th, that he - I  
14 want to say the unit manager gave him a call -  
15 because that was the discussion - the unit  
16 manager gave him a call to his mother.

17 And at that point, they were saying his  
18 mother was dead. And I don't know if this is  
19 the call, because I don't know how to read it,  
20 but I did hear that part of it.

21 MR. [REDACTED]: And do you remember if  
22 you asked [REDACTED] for that specific information?  
23 Did Epstein place a call?

24 MS. [REDACTED]: I wouldn't have asked him did  
25 he place a call? I would have asked him

1 whatever phone numbers that OIG asked me for.

2 MR. [REDACTED]: Okay. Now, as far as the  
3 information that you just said, which unit  
4 manager provided who a call?

5 MS. [REDACTED]: It's my understanding that  
6 Unit Manager [REDACTED] gave Mr. Epstein the call.

7 MR. [REDACTED]: Okay. Sometime on, in  
8 the night of August 9th, 2019?

9 MS. [REDACTED]: Mm-hmm. That's my  
10 understanding. But that was just hearsay.  
11 People speaking. I didn't witness him give a  
12 phone call. No.

13 MR. [REDACTED]: But you don't know if  
14 that's the call log for him?

15 MS. [REDACTED]: I have no idea.

16 MR. [REDACTED]: Okay.

17 MR. [REDACTED]: And based on that, if this  
18 was the request for that, if this was the  
19 request for that call log, and this was what  
20 the communications tech pulled up, the call log  
21 that he pulled up, and this is for the SHU,  
22 would this be the phone number listed on the  
23 call log?

24 MS. [REDACTED]: Oh, I don't know.

25 MR. [REDACTED]: Okay.

1 MS. [REDACTED]: Because I wouldn't have had  
2 the number.

3 MR. [REDACTED]: Okay.

4 MR. [REDACTED]: And we'll just have her  
5 initial and date both of these.

6 MR. [REDACTED]: No problem. On both these  
7 documents, just initial and date --

8 MR. [REDACTED]: So --

9 MS. [REDACTED]: Okay.

10 MR. [REDACTED]: -- not attesting to it, it's  
11 just that, these are the documents we showed  
12 you.

13 MS. [REDACTED]: No problem.

14 MR. [REDACTED]: And one is the memo from  
15 August 10th, and the other is the call log from  
16 August 9th.

17 MS. [REDACTED]: Okay.

18 MR. [REDACTED]: And again, it's 3/16/22.

19 MS. [REDACTED]: Yes, sir.

20 MR. [REDACTED]: Do you know what  
21 Acknowledgement of Inmate form BP-408 is?

22 MS. [REDACTED]: BP-408? Oh, I've been out a  
23 while. BP-408. I'm not sure what -.

24 MR. [REDACTED]: Give her some --

25 MS. [REDACTED]: -- could you --

1 MR. [REDACTED]: -- yeah. Give her some  
2 context to that.

3 MR. [REDACTED]: I'm going to read.

4 MR. [REDACTED]: So, when someone gets a  
5 pack and PIN, or they're able to use the inmate  
6 telephone system, would they have to sign  
7 something called an Acknowledgement of Inmate  
8 form, BP-408?

9 MS. [REDACTED]: I'm not sure. Because I've  
10 never dealt with their pack and PIN numbers.

11 MR. [REDACTED]: So, I'm going to read you  
12 this. I'm just going to read you this, so that  
13 you can kind of get a --

14 MR. [REDACTED]: It's going to be separate.

15 MR. [REDACTED]: -- full. Well, and you  
16 go. Because you --

17 MR. [REDACTED]: Okay.

18 MR. [REDACTED]: -- probably understand  
19 more. Go ahead.

20 MR. [REDACTED]: So, do you know anything  
21 about pack and PINs? When an inmate is  
22 assigned pack and PINs?

23 MS. [REDACTED]: Vaguely. A little about the  
24 pack and PIN numbers.

25 MR. [REDACTED]: Okay. So, do you know if

1 Epstein was assigned a pack and PIN?

2 MS. [REDACTED]: Oh, I don't know.

3 MR. [REDACTED]: Okay. Well, our  
4 understanding was Epstein needed to be assigned  
5 a pack and PIN, and because he was at attorney  
6 conference all the time, he was never available  
7 for a pack and PIN to be set up for him.

8 And what we're trying to find out is, if  
9 Epstein was ever assigned a pack and PIN, and  
10 if he was assigned a pack and PIN, did he ever  
11 sign a form called Acknowledgement of Inmate  
12 form, BP-408?

13 MS. [REDACTED]: Oh, I don't know.

14 MR. [REDACTED]: What about if an inmate  
15 is afforded a legal call? Do they have to sign  
16 a form?

17 MS. [REDACTED]: Normally, they request the  
18 legal call. This is my knowledge of being a  
19 lieutenant. They put a cop-out into their unit  
20 team, requesting that a legal phone call, and  
21 somebody from their unit team will come up with  
22 a logbook, I guess after they verify that that  
23 is their attorneys number, and they tell the  
24 attorney, okay, we're going to set up this  
25 phone call for 10:00. Then they will go up and

1 give the phone call to the inmate, and log it  
2 in the legal call back.

3 MR. [REDACTED]: But you're not aware of  
4 any kind of form that they need to sign as  
5 opposed to just the logbook?

6 MS. [REDACTED]: I'm not sure because that  
7 would be unit team.

8 MR. [REDACTED]: Okay. But you're not -  
9 you don't remember a BP-408, an Acknowledgement  
10 of Inmate form, or what it is?

11 MS. [REDACTED]: No.

12 MR. [REDACTED]: Okay.

13 MR. [REDACTED]: Where would we find that? If  
14 that's a form that we're looking for, inmate  
15 had signed something like that, where would  
16 that be kept?

17 MS. [REDACTED]: I would think it would be in  
18 the inmate's central file.

19 MR. [REDACTED]: And that would be in the  
20 central office?

21 MS. [REDACTED]: And I would think the unit  
22 team members would have the central file in  
23 their area.

24 MR. [REDACTED]: Okay. And if the inmate was  
25 in the SHU, it would be in the SHU?

1 MS. [REDACTED]: It would still be with the  
2 unit team that the inmate was assigned to.

3 MR. [REDACTED]: Okay. And now, I'm going to  
4 read you a paragraph here. This is about  
5 federal regulations.

6 MS. [REDACTED]: Okay.

7 MR. [REDACTED]: "Federal regulations require  
8 that the warden of each BOP institution  
9 establish procedures to monitor inmate  
10 telephone conversations, which is done to  
11 preserve the security and orderly managing of  
12 the institution, and to protect the public.

13 For safety and security reasons, BOP  
14 policy requires that all inmate telephone calls  
15 be made through the inmate telephone system,  
16 ITS. BOP policy recognizes that on rare  
17 occasion, in times of crisis, inmates may be  
18 permitted to make a telephone call outside of  
19 the ITS.

20 In such circumstance, the telephone must  
21 be placed in a secure area; example, in a  
22 locked office, and must be set to record  
23 telephone calls. Additionally, the staff  
24 member coordinating the call must notify the  
25 BOP Special Investigative Services (SIS) via

1 email, providing the inmates' name and register  
2 number, the date and time of the call, the  
3 number and name of the individual called, and  
4 the reason for the call. SIS must enter this  
5 information into the telephone recording system  
6 within seven days."

7 MS. [REDACTED]: Okay.

8 MR. [REDACTED]: Do you recall if you ever got  
9 notified about a call like this for Mr.  
10 Epstein?

11 MS. [REDACTED]: No.

12 MR. [REDACTED]: Okay. Was it standard  
13 practice at MCC if an inmate was ever afforded  
14 a call like this, would you ever get an email?

15 MS. [REDACTED]: No. I've never gotten an  
16 email.

17 MR. [REDACTED]: Were you ever been aware  
18 of this requirement?

19 MS. [REDACTED]: No.

20 MR. [REDACTED]: Were you ever aware that  
21 inmates were given calls like this where a unit  
22 team member, let's just say if an inmate wasn't  
23 given a pack and PIN, a unit team member would  
24 sometimes plug a line in to the legal line, and  
25 would let them make phone calls to personal --

1 MS. [REDACTED]: No.

2 MR. [REDACTED]: -- family members?

3 MS. [REDACTED]: I didn't know.

4 MR. [REDACTED]: Do you know if that was  
5 against policy if they did something like that?

6 MS. [REDACTED]: In my opinion, yes, it's  
7 against policy because the legal line is for a  
8 legal phone call.

9 MR. [REDACTED]: And what happens if they were  
10 to allowed to do something like that?

11 MS. [REDACTED]: What happens to who?

12 MR. [REDACTED]: No. What happens if an  
13 inmate is allowed to -? What is a call like  
14 that, if they have to make a call to a  
15 personal, a personal call, why does the call  
16 have to be made on a recorded line?

17 MS. [REDACTED]: Because it can be a safety  
18 issue if they have an unmonitored call, because  
19 there's no way for us to go back and listen to  
20 the call. It could have been a threat. You  
21 know, it could have been something that could  
22 have just been a catastrophe, and that you have  
23 no way of knowing.

24 That's why we have that ICS system in  
25 place, so we can go back and listen to the

1 calls, and we can identify anything that was  
2 abnormal.

3 MR. [REDACTED]: And I know this is Monday  
4 morning quarterbacking the situation, but a  
5 situation like this, with Mr. Epstein, the fact  
6 of the circumstances that surrounded what  
7 happened between August 9th and 10th, looking  
8 back that he was allowed to make a phone call  
9 like that on August 9th, should that have been  
10 allowed?

11 MS. [REDACTED]: No. In my opinion, no.

12 MR. [REDACTED]: Why not?

13 MS. [REDACTED]: It goes back to what I  
14 stated. We have no way of monitoring those  
15 phone calls. So, we don't know if - you know,  
16 just an example - if I may, we don't know if it  
17 was to intimidate a witness.

18 We just don't know the context of the call  
19 because we can't go back to listen. We don't  
20 even know in the call if he was saying, hey,  
21 I'm feeling like this, because you have no way  
22 of going back and listening to that call.

23 MR. [REDACTED]: And being that someone, that  
24 he was allowed to make that phone call, should  
25 someone have been standing there with him,

1 monitoring that phone call?

2 MS. [REDACTED]: Yes.

3 MR. [REDACTED]: Okay. And should that have  
4 been logged up? Should that have been a log?  
5 That a call like that was made.

6 MS. [REDACTED]: Yes.

7 MR. [REDACTED]: Okay. Anything else on that?

8 MR. [REDACTED]: You just have a question  
9 here. On that last note.

10 MR. [REDACTED]: The call log?

11 MR. [REDACTED]: This one. Sorry.

12 MR. [REDACTED]: Oh. I think she answered  
13 that.

14 MR. [REDACTED]: Okay.

15 MR. [REDACTED]: You mentioned before the call  
16 log that we showed you, that's the call log --

17 MR. [REDACTED]: Oh, that's the log --

18 MR. [REDACTED]: -- that's the --

19 MR. [REDACTED]: -- I thought you were  
20 talking about this other log that you just  
21 mentioned.

22 MR. [REDACTED]: No, no, no.

23 MR. [REDACTED]: I'm sorry.

24 MR. [REDACTED]: That call log that you said  
25 that --

1 MR. [REDACTED]: No. Disregard.

2 MR. [REDACTED]: -- okay.

3 MR. [REDACTED]: You can move on.

4 MR. [REDACTED]: No problem. Now, we're  
5 moving on to August 10th.

6 MR. [REDACTED]: Okay.

7 MR. [REDACTED]: Would there be a record of  
8 the exact time Correctional Officer Tova Noel  
9 pushed the emergency button on her radio? Like  
10 -?

11 MS. [REDACTED]: I'm not too sure if -. I  
12 know when you key up the radios, they do  
13 register on the control panels. In the control  
14 center. But I don't know if that's recorded,  
15 where they can run, like, that's how they ran  
16 the telephone log. I'm not too sure. Only Mr.  
17 [REDACTED] will know that because he's a com shop.

18 MR. [REDACTED]: So, he would be able to pull  
19 it up?

20 MR. [REDACTED]: Maybe. He would be the  
21 only one --

22 MS. [REDACTED]: He would be the only one --

23 MR. [REDACTED]: -- to answer.

24 MS. [REDACTED]: -- that --

25 MR. [REDACTED]: Could answer it.

1 MS. [REDACTED]: -- would know if you can go  
2 back and pull those timeframes up.

3 MR. [REDACTED]: So, just to run through the  
4 day. Let's just say Michael Thomas, Tova Noel,  
5 the situation, they're up there on the tier,  
6 and they discover Epstein.

7 MS. [REDACTED]: Yes.

8 MR. [REDACTED]: And they wanted to hit the -  
9 they wanted to notify control, hey, there is an  
10 emergency. How would they notify control?

11 MS. [REDACTED]: They should hit their body  
12 alarms which --

13 MR. [REDACTED]: Which is located where?

14 MS. [REDACTED]: -- on their radio.

15 MR. [REDACTED]: So, they both have a radio,  
16 or just one person?

17 MS. [REDACTED]: Up in the SHU, they both  
18 should have radios. But I don't know if they  
19 both had radios. But I know a body alarm is  
20 assigned to the Special Housing.

21 MR. [REDACTED]: It's assigned. And the body  
22 alarm is where?

23 MS. [REDACTED]: The body alarm, one of the  
24 officers have to carry it. I'm not too sure if  
25 they all do. I really can't remember. But I -

1 -

2 MR. [REDACTED]: Is it separate from the  
3 radio?

4 MS. [REDACTED]: -- no.

5 MR. [REDACTED]: Or no, no. It's a button on  
6 the radio --

7 MS. [REDACTED]: It's just a button on the  
8 radio.

9 MR. [REDACTED]: -- okay.

10 MS. [REDACTED]: And once you hit that body  
11 alarm, it goes throughout the whole building,  
12 on everybody's radio.

13 MR. [REDACTED]: And at least one officer in  
14 the SHU is assigned that?

15 MS. [REDACTED]: At least one officer should  
16 have the body alarm in the SHU.

17 MR. [REDACTED]: So, it's just a special  
18 radio that has an alarm?

19 MS. [REDACTED]: Yes.

20 MR. [REDACTED]: But it's called the body  
21 alarm?

22 MS. [REDACTED]: They're called body alarms.

23 MR. [REDACTED]: Okay.

24 MR. [REDACTED]: What does it look like on the  
25 radio?

1 MS. [REDACTED]: It's an orange button.

2 Orange or red button.

3 MR. [REDACTED]: And when they hit it,

4 everyone gets notified?

5 MS. [REDACTED]: It goes across all the

6 radios.

7 MR. [REDACTED]: And what is normal practice?

8 Like, once it hits, what transpires?

9 MS. [REDACTED]: Whoever is in the building  
10 responds to that area. When you hit that body

11 alarm, it pops on the control panel, and a big  
12 screen, and we can see exactly where it's

13 coming from.

14 MR. [REDACTED]: Okay. And is that the  
15 control officer?

16 MS. [REDACTED]: The control officer will call  
17 it. You know, we have a body alarm in the  
18 Special Housing Unit.

19 MR. [REDACTED]: And who is supposed to  
20 respond?

21 MS. [REDACTED]: Normally, everybody who has a  
22 radio and who is not supervising inmates  
23 respond to that area.

24 MR. [REDACTED]: Every supervisor?

25 MS. [REDACTED]: If they're in the building,

1 they should be.

2 MR. [REDACTED]: What about if you are  
3 assigned the housing unit? Are you allowed to  
4 leave the housing unit?

5 MS. [REDACTED]: No.

6 MR. [REDACTED]: No.

7 MS. [REDACTED]: You're not supposed to, no.

8 MR. [REDACTED]: But if, let's say you're  
9 internal and you're moving around, you're  
10 supposed to respond?

11 MS. [REDACTED]: Yes.

12 MR. [REDACTED]: So, as long as you're not  
13 assigned to a housing unit, and you're just  
14 there in the facility, you're supposed to  
15 respond?

16 MS. [REDACTED]: Right.

17 MR. [REDACTED]: Is there certain officer  
18 that's assigned to respond for emergencies?

19 MS. [REDACTED]: No. There is no specific  
20 assignment.

21 MR. [REDACTED]: Okay. What is the average  
22 time it takes for additional correctional  
23 officers to respond in a case of emergency?

24 MS. [REDACTED]: Normally, within two to three  
25 minutes.

1 MR. [REDACTED]: But it's not, like, oh, yeah,  
2 and you ring the, you put the - or you press  
3 the body alarm, it's like a matter of seconds,  
4 oh, yeah, someone is there, it takes about two  
5 to three minutes on average?

6 MS. [REDACTED]: Yes. If somebody is there in  
7 a matter of seconds, that mean they're right  
8 outside the door when that alarm went out, but  
9 most of the time, we have to get elevators, we  
10 have to run up the stairs. So, we have to get  
11 to the area.

12 MR. [REDACTED]: Okay. Is there one officer  
13 controlling the elevator?

14 MS. [REDACTED]: The control center is  
15 controlling the elevator.

16 MR. [REDACTED]: So, that control officer  
17 would have to know where the officers --

18 MS. [REDACTED]: To pick --

19 MR. [REDACTED]: -- are going?

20 MS. [REDACTED]: -- everybody up. Because  
21 everybody will come across the radio. Hey,  
22 pick me up on two. Pick me up on three. Pick  
23 me up on four. So, that officer has to start  
24 picking up from every floor.

25 MR. [REDACTED]: Do they keep a log of

1 everything that transpires when an emergency  
2 happens?

3 MS. [REDACTED]: What do you mean, a log of  
4 everything --

5 MR. [REDACTED]: Let's just say --

6 MS. [REDACTED]: -- that transpires?

7 MR. [REDACTED]: -- like, the stuff that comes  
8 over the radio. Like, the calls that come  
9 over, and when a body alarm is hit, do they  
10 keep track of, hey, this call came over the  
11 call, or this person responded.

12 MS. [REDACTED]: The practice should be, once  
13 the body alarm goes off, that control center  
14 has a logbook, as well. So, the control center  
15 officer should have that in their logbook.  
16 7:15, a body alarm went off in the Special  
17 Housing Unit, for example.

18 MR. [REDACTED]: Okay.

19 MS. [REDACTED]: And if I was the responding  
20 lieutenant, and I cleared that body alarm,  
21 let's say at 7:20, that logbook should also  
22 say, 7:20, body alarm cleared by Lieutenant  
23 [REDACTED].

24 MR. [REDACTED]: Okay. And this logbook, it's  
25 called the control officer logbook?

1 MS. [REDACTED]: Yes.

2 MR. [REDACTED]: Okay. Okay.

3 MR. [REDACTED]: How often do body alarms  
4 go off? Or would they, around that time? Is  
5 that, like, a daily occurrence, or is it  
6 weekly, or -?

7 MS. [REDACTED]: I want to say almost daily,  
8 it's body alarms.

9 MR. [REDACTED]: Okay. So, people are  
10 very familiar with what to do when a body alarm  
11 --

12 MS. [REDACTED]: Yes.

13 MR. [REDACTED]: -- goes off. Now, just a  
14 quick question. If an operations lieutenant is  
15 relieved at, like, 6:00 a.m., let's say, or  
16 prior, the alarm goes off at 6:33, but that  
17 operations lieutenant is still in the building,  
18 working on documentation, would that operations  
19 lieutenant, even though they've been relieved,  
20 would they be required to respond --

21 MS. [REDACTED]: They should. Yes.

22 MR. [REDACTED]: -- they should still  
23 respond?

24 MS. [REDACTED]: Yes.

25 MR. [REDACTED]: So, even though they've

1 been relieved for their shift --

2 MS. [REDACTED]: Yes.

3 MR. [REDACTED]: -- should -.

4 MS. [REDACTED]: You still should respond  
5 because you're physically still in the  
6 building.

7 MR. [REDACTED]: Okay. And would that  
8 operations lieutenant have given back their  
9 radio, though, already if they were already  
10 relieved? Or would they still have a radio on  
11 them?

12 MS. [REDACTED]: If they're sitting in the  
13 office, well, let me backtrack so I don't seem  
14 confusing. The operations lieutenant that was  
15 relieved would turn the radio up to the  
16 relieving lieutenant.

17 So, we're not assigned individual radios.  
18 You have one assigned for operations  
19 lieutenant, and one assigned for activities  
20 lieutenant. So, if I relieve you, [REDACTED], I'm  
21 going to give you - you're going to give me  
22 your radio and your keys.

23 MR. [REDACTED]: So, if that person was  
24 relieved, and then is working on documentation,  
25 how would they know that a body alarm was

1 activated?

2 MS. [REDACTED]: Normally, you hear it.

3 MR. [REDACTED]: Oh, so, everyone could  
4 hear it?

5 MS. [REDACTED]: Yeah. You hear it.

6 MR. [REDACTED]: Okay. So, like, because  
7 it's a loud sound?

8 MS. [REDACTED]: Yes.

9 MR. [REDACTED]: Does it go throughout the  
10 institution? Or just on the radios?

11 MS. [REDACTED]: It just go on the radios, but  
12 it's really loud. So, even if somebody is  
13 using the bathroom, if they have their radio,  
14 you hear it.

15 MR. [REDACTED]: Okay.

16 MS. [REDACTED]: You hear it.

17 MR. [REDACTED]: Like, as in, like, if a  
18 radio is going off outside of the bathroom,  
19 even if they don't have their radio in the  
20 bathroom, is that what you mean?

21 MS. [REDACTED]: You'll hear it.

22 MR. [REDACTED]: Okay. So --

23 MS. [REDACTED]: You'll hear it.

24 MR. [REDACTED]: -- the person using the  
25 restroom would hear a radio that was outside of

1 the restroom, is what you mean?

2 MS. [REDACTED]: Yes.

3 MR. [REDACTED]: Okay.

4 MS. [REDACTED]: And then, the lieutenant's  
5 office, the way it's set up in MCC New York, is  
6 we also have the Nice camera system set up with  
7 big screen TVs, as such. So, if you are there  
8 and you see people running, your first instinct  
9 going to be, what's going on? Everybody is  
10 running.

11 MR. [REDACTED]: Okay.

12 MR. [REDACTED]: So, if you're still in the  
13 office, and --

14 MS. [REDACTED]: If you're in the office.

15 MR. [REDACTED]: -- office, and you're still  
16 doing work --

17 MS. [REDACTED]: Mm-hmm.

18 MR. [REDACTED]: -- you should be able to see.

19 MS. [REDACTED]: Yes, because I think it's  
20 about three or four big screen TVs in there.

21 MR. [REDACTED]: Now, is it a requirement  
22 that they respond, or just they should respond?

23 MS. [REDACTED]: I don't, I can't recall a  
24 policy on if you've been relieved, but you  
25 definitely should respond.

1 MR. [REDACTED]: Okay. Would that be a  
2 sound correctional judgment?

3 MS. [REDACTED]: Yes.

4 MR. [REDACTED]: Okay.

5 MR. [REDACTED]: I'm going to move on.

6 MR. [REDACTED]: Yup.

7 MR. [REDACTED]: I'm going to, this document  
8 that I'm showing you --

9 MS. [REDACTED]: Yes.

10 MR. [REDACTED]: -- is dated Friday, August  
11 9th, 2019. And then, the back is dated  
12 Saturday, August 10th, 2019. Can you let us  
13 know what this document is?

14 MS. [REDACTED]: Yes. Well, this is called  
15 the SHU locator form.

16 MR. [REDACTED]: What does that mean?

17 MS. [REDACTED]: It's basically all of the  
18 ranges in SHU, and the cell numbers, and the  
19 inmates that's assigned to the cells.

20 MR. [REDACTED]: Okay. So, basically, a  
21 roster for the SHU.

22 MS. [REDACTED]: It's a roster for the SHU,  
23 cell assignments, who's the cell, assigned to  
24 what cell.

25 MR. [REDACTED]: Okay. And then, the bottom

1 here, on L-tier, 220-U, and 220-L. Who are the  
2 inmates assigned on there?

3 MS. [REDACTED]: Inmate Reyes and Inmate  
4 Epstein.

5 MR. [REDACTED]: What is C/F? You see the  
6 letters next to Epstein's name, it says C/F?  
7 C/F.

8 MS. [REDACTED]: Yes.

9 MR. [REDACTED]: What does that mean?

10 MS. [REDACTED]: Common fear. Common fear  
11 meal. Meaning, he got some kind of, I don't  
12 know what was his religion.

13 MR. [REDACTED]: So, it's --

14 MS. [REDACTED]: But it's a religious --

15 MR. [REDACTED]: -- yeah.

16 MS. [REDACTED]: -- meal.

17 MR. [REDACTED]: Okay.

18 MS. [REDACTED]: That's the common fear.

19 MR. [REDACTED]: I just wanted to get  
20 clarification on that.

21 MS. [REDACTED]: Mm-hmm.

22 MR. [REDACTED]: Just have her initial and  
23 date it.

24 MS. [REDACTED]: Okay.

25 MR. [REDACTED]: Next document, it states

1 "United States Department of Justice, Federal  
2 Bureau of Prisons, MCC New York. Transfer  
3 Receipt." This is dated Friday, August 9th,  
4 2019. Received from [REDACTED]. Warden MCC  
5 New York. "Following United States prisoners."  
6 Sorry, it's a little tough to read.

7 MS. [REDACTED]: No.

8 MR. [REDACTED]: "Prisoners together with  
9 complete files for transfer as indicated WAB,  
10 USMS, SDNY." What is this document?

11 MS. [REDACTED]: I have -. This is an R&D -.

12 MR. [REDACTED]: So, you've never seen one of  
13 these documents?

14 MS. [REDACTED]: Documents. I don't know what  
15 that is. Well, it's a transfer receipt. But I  
16 don't know when they do it, and for, obviously,  
17 why they do it. I don't know.

18 MR. [REDACTED]: But you've never seen one of  
19 these before?

20 MS. [REDACTED]: No. I've never physically  
21 seen the transfer receipt.

22 MR. [REDACTED]: And this is not, you don't  
23 think this is one of those documents that goes  
24 out to the units, saying these are the inmates  
25 that are getting transferred?

1 MS. [REDACTED]: Hmm. I don't think so.  
2 Because I've never seen it. As a lieutenant, I  
3 would have seen it, and if we had good officers  
4 in there, I would have received a copy, as  
5 well. I've only seen the rosters. The  
6 physical rosters. Never the transfer receipts  
7 go out to the unit.

8 MR. [REDACTED]: And when you say it's a  
9 transfer receipt, does that mean that it's  
10 created after the prisoner is transferred?

11 MS. [REDACTED]: I don't know.

12 MR. [REDACTED]: Okay.

13 MS. [REDACTED]: I don't know.

14 MR. [REDACTED]: The signature on that bottom.  
15 Do you recognize that name by any chance?

16 MS. [REDACTED]: No.

17 MR. [REDACTED]: Okay.

18 MS. [REDACTED]: (Indiscernible \*00:50:39). I  
19 don't know who that is.

20 MR. [REDACTED]: Okay. No problem.

21 MR. [REDACTED]: Two minutes. Two  
22 minutes.

23 MR. [REDACTED]: And this is just the last  
24 set.

25 MS. [REDACTED]: Sure.

1 MR. [REDACTED]: What I'm showing you are  
2 pictures. It is in black and white.  
3 Unfortunately, we were not able to print it in  
4 color. There's two pictures here. I need -  
5 you to initial these after.

6 MS. [REDACTED]: Sure.

7 MR. [REDACTED]: These are, these pictures  
8 were taken by the coroner's office, just to  
9 clarify.

10 MS. [REDACTED]: Okay.

11 MR. [REDACTED]: And these were taken at the  
12 MCC, just to clarify. These look like AED  
13 machines?

14 MS. [REDACTED]: Yes.

15 MR. [REDACTED]: And do you know what this is?

16 MS. [REDACTED]: It looks like a --

17 MR. [REDACTED]: (Indiscernible \*00:51:24).

18 MS. [REDACTED]: -- a home-made noose.

19 MR. [REDACTED]: A home-made noose.

20 MS. [REDACTED]: Yes.

21 MR. [REDACTED]: Have you seen this before?

22 MS. [REDACTED]: Yes.

23 MR. [REDACTED]: Do you know what this is?  
24 And to us, in the - because it's in black and  
25 white, and I know in the picture it looks black

1 --

2 MS. [REDACTED]: Mm-hmm.

3 MR. [REDACTED]: -- to us, in color, it looks  
4 like a curtain.

5 MS. [REDACTED]: No. It looks -. How can I -  
6 ? It's like a divider.

7 MR. [REDACTED]: Okay.

8 MS. [REDACTED]: On wheels.

9 MR. [REDACTED]: That's what we need you to  
10 clarify. So, where is this picture taken?

11 MS. [REDACTED]: I'm not too sure where they  
12 took this picture at.

13 MR. [REDACTED]: The divider on wheels. Was  
14 this something that was brought up to the SHU,  
15 or was this somewhere else?

16 MS. [REDACTED]: I don't know. I don't know.

17 MR. [REDACTED]: Do you recall something like  
18 that, like, that was brought up into the SHU to  
19 cover up Epstein's cell, or was this brought in  
20 the health center to help?

21 MS. [REDACTED]: I don't know.

22 MR. [REDACTED]: Would the divider be - if  
23 an inmate committed suicide - would a divider  
24 be put up outside of his cell so that other  
25 inmates can't see what's going on?

1 MS. [REDACTED]: I've never seen a divider put  
2 up.

3 MR. [REDACTED]: Okay.

4 MS. [REDACTED]: Since I've been a lieutenant.

5 MR. [REDACTED]: Okay. No problem. Can you  
6 initial and date?

7 MR. [REDACTED]: Do you know if there was  
8 a divider put up after Epstein was removed, so  
9 that - because it was a crime scene?

10 MS. [REDACTED]: I don't know. When I got  
11 there, there was no divider up.

12 MR. [REDACTED]: Okay. So, you don't  
13 recall --

14 MS. [REDACTED]: Once I arrived. No.

15 MR. [REDACTED]: -- you don't recall --

16 MS. [REDACTED]: I didn't see --

17 MR. [REDACTED]: -- a divider.

18 MS. [REDACTED]: -- a divider.

19 MR. [REDACTED]: Okay.

20 MS. [REDACTED]: No.

21 MR. [REDACTED]: Since the last time we spoke,  
22 was there anything else that came to mind you  
23 think that you would want to share with us,  
24 anything else that you think would be pertinent  
25 to our investigation?

1 MS. [REDACTED]: Nothing that I thought about.  
2 I felt like you guys touched on everything when  
3 we spoke.  
4 MR. [REDACTED]: Well, thank you again for  
5 taking the time --  
6 MS. [REDACTED]: No problem.  
7 MR. [REDACTED]: -- to talk to us.  
8 MS. [REDACTED]: Any time.  
9 MR. [REDACTED]: All right. Thank you,  
10 thank you.  
11 MS. [REDACTED]: No problem.  
12 MR. [REDACTED]: Oh, and just, you still  
13 are a lieutenant, you said? Correct?  
14 MS. [REDACTED]: Yes.  
15 MR. [REDACTED]: And you're right now  
16 assigned to the MDC --  
17 MS. [REDACTED]: Yes.  
18 MR. [REDACTED]: -- but on leave?  
19 MS. [REDACTED]: Yes.  
20 MR. [REDACTED]: Okay. But you're  
21 expecting to return to the MDC?  
22 MS. [REDACTED]: Yes.  
23 MR. [REDACTED]: Okay. Thank you.  
24 MS. [REDACTED]: You're welcome.  
25 MR. [REDACTED]: This is Special Agent [REDACTED]

1 [REDACTED]. The time is 10:48 a.m., and we are
