

██████████ – Attorney for ██████████

August 11, 2019

RD (by phone)

- She is currently in ██████████
- ██████████ asked her to give a summary of the call with JE in narrative form
- ██████████ spoke with JE at app'x 7 pm on Friday 8/19, for app'x 20 minutes
  - o He said the press has gotten crazy
  - o They discussed personal things
    - She described a piece of music that started out dark but ended on a lighter note
    - He talked about a book he was reading
    - She asked about his routine, his hygiene, whether he was showering, he said yes
    - He said "They are trying to keep me safe"
    - He said his case will take a little longer than he originally thought so she should find a place to stay and develop a routine
    - He loved her, he wouldn't be able to call again for another month
    - Asked how she was doing, told her to be strong
- ██████████ was using ██████████
- ██████████ says "he would never leave me this way"; there was nothing to indicate that he had decided to end his life, no acrimony
- Willing to continue to cooperate
-
