Injury Category: No Injury  
Sexual Assault: No

Staff Injury by Inmate: No

## Section 4: Lethal Weapon Discharge

No data found.

## Section 5: Use of Force

No data found.

## Section 6: Description of Incident

**DESCRIPTION OF INCIDENT (If Use Of Force, include details such as name of supervisor applying the chemical agent and/or restraints, reasons for use of hard restraints instead of soft restraints, etc.) Please be clear about cause(s) of the incident in your description.**

On July 23, 2019 at approx. 1:27 a.m., a call for assistance on the Special Housing Unit was announced by the Control Center. Upon my arrival I was informed that an inmate had attempted suicide and proceeded to cell, Z05-124LAD. I observed inmate Epstein, Jeffrey #76318-054 lying in the fetal position on the floor of his cell wearing a t-shirt and boxers. He was breathing heavily and was snoring. I called out to inmate Epstein and observed him flicker his eyes and continue snoring. His neck was red with no abrasions. I observed no further injuries to his person. An attempt was made to get the inmate to stand on his own with negative results. The inmate was placed in hand restraints and staff was directed to retrieve the stretcher. As inmate Epstein was being placed on the stretcher by responding staff, he would open his eyes and observe staff. When staff made eye contact with him, he would hurriedly shut his eyes. The inmate was taken to HA-Unit, dressed in the suicide smock and placed on suicide watch.

Upon the arrival of medical staff, inmate Epstein was examined and treated by, MLP [REDACTED] for a circular line of erythema at the base of the neck, one section on the front with marks of friction and a small erythema on his left knee.
