Subject: Training and Other Information Needed
Attachments: TEXT.htm, Camera Survey.pdf

Gentlemen,

The CO office is looking for a few things: Training of all Tech's and a camera survey. This is what I have, please update. I do not need dates just if you have the associated training. Please provide missing information at your earliest. Could you also update which fire alarm, perimeter and PLC systems you have? The attached memo is what your Wardens will be receiving soon. I will need one report from each institution.

Thank you,

[REDACTED]

MANDATORY TRAINING					RECOMMENDED TRAINING				
EMPLOYEE	FIRE ALARM	PABX	PERIMETER DETECTION	TRUNKED RADIO	NFPA 72	PLC	DVR/NVR	CCTV	MATV
