Good afternoon,

Ms. [REDACTED] after reviewing my CORS report for the Central Office Samples; I went ahead and asked [REDACTED] our Comp. Tech on the status of these particular POs and he advised me that they haven't been able to receive the Fiber Cable and without the cable they can't proceed with the Camera Systems. He mentioned that the company is requiring some sort of documentation and he should be able to provide you with the details.

Sincerely,
