Do we have any drawings for Signet so they can supply us with a price for labor of running the rest of the conduit and pulling the wire. [REDACTED] provide on this email what is done and what else needs to be done.

Chris,

Can you find out if there are any drawings for camera locations and conduit runs? Very hard to estimate and bid without them. Probably would require a site visit.

Steve,

Good morning I know Daniels was in touch with Justin, but I left you a voice mail on your cell phone when you get a chance I need a call back to go over a price for installation.
