[REDACTED]

I am hoping to validate all the deliverable items on the PO. Anyway to get a copy of the shipping/receiving report from the institution to cross reference? I am just passing along information from our shipping department.

Hi [REDACTED],

Sounds great. I will stay tuned. And thank you for the below information regarding the delivery of the Nice Vision System, minus the cameras, to the MCC New York in October 2018. Just please let me know if that information is not accurate.

Thanks again,

[REDACTED]

[REDACTED]:

I did, Items 1-7 and 10 are Nice Vision system parts, These items were delivered as prior email traffic, The cameras were delivered later. As stated earlier Justin is out this week and will return Monday.

I will be able to provide the camera delivery information that we have early next week.

Good morning [REDACTED],

Did you receive my below email?

Thank you,

[REDACTED]

Subject: RE: RE: Camera Documentation

Thanks, [REDACTED]. What items on the contract are comprised of the "Nice system"? And can you please confirm when those items were delivered/received?

Also, what items on the contract were sent at a later date? And when were those items delivered/received?

Thanks again,

[REDACTED]

The Nice system is the video recording system.

Thanks, [REDACTED]. What do you mean by the Nice system? What does that entail?

[REDACTED]:

Just call me [REDACTED], some of this is semantics of words. To me the camera system is the Nice system. The Nice system was delivered as earlier stated. Let me check on the cameras and any other ancillary pieces. [REDACTED] is on vacation this week and that is who [REDACTED] is communicating with.

Good afternoon Mr. [REDACTED],

Regarding your below email, we are looking for confirmation on when the items listed within the attached contract dated September 21, 2018, were sent to the MCC New York. We had previously been informed that the cameras and related items were sent to the MCC New York in October 2018, but the attached email dated March 22, 2019, indicates that they were not. This is the camera system that was installed by SigNet within the MCC New York during the week of August 11, 2019. We would like to confirm exactly when the camera system was sent by SigNet and received at the MCC New York. Any documentation confirming that information would also be greatly appreciated.

Please respond to this email, as the pervious email sent by [REDACTED] did not include my correct email address. Thank you very much in advance.

Sincerely,

[REDACTED]

Chris:

The information that was provided in the attached email string is accurate to the best of my knowledge. Let me go back and review the documents. There were probably multiple orders during that time frame, are we talking about the same order? Talking about the Nice orders only correct? [REDACTED] is on vacation this week so getting shipping information may need wait til he returns.
