AML Compliance has reviewed the RDC and PCR alerts dated 5/28/2013 pertaining to our prospective client, Jeffrey Epstein. The RDC Alerts are positive matches for our prospect as it pertains to negative information based on reputation. However, AML Compliance clears these alerts based on the attached email approval from Chip Packard with the support of senior management on an AML reputational and legal perspective to onboard the prospective client, Jeffrey Epstein.

The two PCR alerts involve a Jeffrey S Epstein that lives in Massachusetts. Our prospective client has a different middle name, Edward, and resides in New York and Florida. Accordingly, AML Compliance CLEARS these PCR alerts as false positives.

Hi,

Please see RDC Alerts below:

RDC Alert #1:

- This is our client. The accounts which we will be opening will not be in Jeffrey Epstein's name. They will be in the name of 2 companies he controls and should not pose a reputational risk
- Also attached is an email from Chip Packard saying that he does not believe that there is any reputational risk in taking this client on.

PCR Alert #1 and #2:

- Not our client. Our client is Jeffrey E Epstein and these alerts pertain to Jeffrey S Epstein.

Please approve clearance

Kind regards,
