4 yrs BOP

working ^{that's what we're working} → OT

12p-8p break 12a-8a 8a-4p

12a-8a Unit 105 → completely locked down → can't get in on a/cn → wait on along in unit

to do counts w/ Officer Noel 3a / 5a

4. line came to check on him. } don't remember time

Officer Thomas relieved tonee to give a break

105 → when call came over

SHU → helped out 8a-4p ~~2/10~~ this is 21st Saturday

Epstein → ~~get~~ fed him, once b/c hadn't gotten his food was grateful

→ Didn't appear to be dangerous never offered him \$ ^{see what happened} 12am had already been done - Anderson

→ Counts 3am & 5am always want a partner to do count won't do it without → so had to request b/c by himself ^{double staff count}

Control Center
had called
about count →
said wanted
someone

Have to see breathing flesh
Officer Noel → they counted 5 inmates

Epstein was supposed to be watched
more → rounds supposed to be
conducted regardless
