

- Feb. 2019 @ MCC
- July 11, 2019 @ STU
 - ↳ pulled off visit floor, saying he has swallowed, concealed something. ~~was~~ searched by "G" + "Dewie!"
 - sent to STU, searched again.
- In same tier @ Epitern - L tier.
 - Next morning searched as well, this time by Lt. [redacted] had been searched 3 times already.
 - ~~was~~ was pushed to floor.
 - were other STU officers, G, [redacted]

- put celly:
- 1.5 days - "King" - last cell right
- "YB" - bottom tier, first to left. (under L tier)
- July 14 - put on G tier - flooded tier, sent to suicide water
- on suicide watch for 2 days. Made an issue in suicide water. Raped up by CO [redacted], Lt. [redacted]. Fractured toe.

- [redacted] = tall, dark skin
- [redacted] just standing there.
- Toe was fractured. Medical didn't want to do anything.
- inmate water was present.
- This happened @ 3am on 7/14 or 7/15

- went back to STU on 7/14 - H Tier. getting bag lunches, ten hot trays.

Went from suicide water to G tier. Then after a day to H tier. On H Tier no bunkie

②

→ On H Tier until late August (31st).

on H Tier, first Tier to right.

↳ Bunked at Callmer (Spanish, light)
bigger guy.

Epstein

→ Epstein + Noel exchanged words. She said
"child molester" called him something.

→ 2-3 days before he died.

→ Noel said to black male officer,
someone from night.

→ She was @ ~~her~~ JM door when she
said ~~that~~ it to other officer.

→ He may have called her a "bitch."

Night it happened, someone yelled on his tier Epstein
"on the hangup." That woke up JM and
so he asked Noel to turn off light.
yelling woke him up.

- Noel didn't turn off light.

Around breakfast time, they went to trays, heard officer
yelling "breath" - male officer yelled it.

- male officer = black, heavy set, taller than JM.

That morning Lt. [redacted] handing out trays, Lt. [redacted]
said "don't worry we have an alibi for you."
She was handing out trays on H-Tier.

Counts

- Not really awake for 3 am ^{count} ~~read~~, but hear gate open
- sometimes doing counts, not doing rounds before Epstein died.
- Did count grand lish but not ~~see~~ test.
- Never did any 30 min rounds.
- Usually when zone through, ask for lights off, but everyone's lights were still on.
- Can't see guards from cell.

They sent everyone from L tier back to population.

CO said take things down b/c visitors be making through.

Can't remember guards saying anything about not doing the count.

Can't recall for being on / wasn't on.
