Re: [REDACTED]

We have a Maxwell request for you guys if anyone is able to help with, it would be greatly appreciated. The request is for 2 agents to assist with bringing digital images to 500 Pearl Street for Maxwell and her defense to review. They would have to wait with the hard drive as its being reviewed. Exact details are still being ironed out, but it would be for next Thursday (3/18) at 500 Pearl Street and would likely be an all-day affair. Please let us know if this is possible.

Thanks again for your help!
