Good afternoon all,

Below please find concerns raised by Epstein's attorneys with legal visiting. To summarize, they are requesting:

- 1) greater access for Epstein using the bathroom during legal visits;
- 2) the 2 social calls he was allegedly promised; and
- 3) the ability to eat his lunch meal in attorney conference.

Please review and advise so that I can respond. Thank you.

Good morning [REDACTED].

I tried calling you earlier. My client, Jeffrey Epstein (76318-054) informed me that he had a meeting last Friday with [REDACTED] told our client that he would be allowed to use the bathroom once every hour on the third floor when meeting his attorneys. Yesterday, [REDACTED] told my client and I that he would not be allowed to use the bathroom unless a Lieutenant could come or unless he sees a memo from [REDACTED] allowing the staff to allow our client to use the bathroom. Can [REDACTED] or anyone else make this memo available?

Our client also informed us that in that meeting he was told that he was going to have 2 phone calls. So far, no phone calls.

Also, can he be allowed to eat in the client attorney room? He spends all of the day meeting with his legal team and an officer told him that if he wanted to eat, he would have to go back to 9south and then he would not be allowed back downstairs. So for the last few days, he's been eating snacks from the vending machines and no proper meal.

Thank you in advance for your help.

Sincerely,

Mariel Colon Miro, Esq.
