SIS,

This inmate reported to me today that his cell mate [REDACTED] told him the "guards told him, if he beat the shit of me, they wouldn't file a report."

I thought it best to bring this to your attention in light of the recent claims by inmate Epstein #76318-054 that his cell mate may have injured him (although his cell mate denied doing so as per an interview conducted by [REDACTED]).

Very respectfully,
