>>> BOP-IPP/FITARA Special Authorization Requests 7/31/2019 12:51 PM >>>

**The revised memo is attached (removed condition not to connect to BOPNet and clarified the camera system purchase should either be for Approved Hardware or FITARA-approved). Thank you**

Please see the attached BOP-Wide special authorization for the Nationwide Security Camera System Upgrade - Nice Vision (or like) procurement. This SA will supplant individual approvals for each institution.
