Boss,

After review of the overtime logs for mandatory overtimes vs. volunteer overtimes during the week of August 4-10, 2019, the numbers are as follows:

8/4 (22 total overtimes, 4 augmentations - of the 22, 1 was mandated)
8/5 (29 total overtimes, 2 augmentations - of the 29, 1 was mandated)
8/6 (29 total overtimes, 2 augmentations - of the 29, 4 were mandated)
8/7 (27 total overtimes, 3 augmentations - of the 27, 2 were mandated)
8/8 (36 total overtimes, 2 augmentations - of the 36, 4 were mandated)
8/9 (30 total overtimes, 3 augmentations - of the 30, 1 was mandated)
8/10 (38 total overtimes, 1 augment - of the 38, 2 were mandated)

Staff at MCC sign up for overtime utilizing the overtime program. Custody staff are utilized first, then non-custody staff. Once the sign up roster has been exhausted and there are still vacancies to fill, there is an email to all staff and an all-call via the radio system requesting volunteers. If there are still vacancies, mandates are utilized on the evening and morning shifts. During the day shift, augmentation is utilized.

Attached are the sign up logs beginning on 7/14/19 and ending on 8/13/19.

Let me know if you need anything further. Thanks.
