We have confirmed that all the OT below were voluntary except for one on Saturday - Officer Noel. Please note that when using this info, if it is used against the union we run the risk that the union may instruct staff to stop volunteering which would force us to mandate everyone. I hope that would not happen, but they are unpredictable.

████ pulled the following to answer one of your questions:

Friday 8/9/19 4pm to 12am, 21 post, 20 staff present, 6 overtimes
Saturday, 8/10/19, 12am to 8am, 19 post, 18 staff present, 10 overtimes

████ has the Warden getting us the number of mandates vs volunteer OTs for the above.
