Central office staff reviewed PDS. There are two inmates currently on Psych Observation and none on suicide watch, all of whom she reviewed. In addition, they reviewed 16 SRAs from the last month conducted on 11 inmates. CO staff identified patterns that are relevant for future training. CO staff identified two cases that they will reach out to the institution staff about this week.

[REDACTED] - As you know I dont have a Psych Administrator. After discussion with [REDACTED], we're asking the following be completed first thing tomorrow by the appropriate Psych Svc employee: Reach out to NYM Chief Psych or Acting Chief, and review each inmate that is currently on watch, recently on watch, or Psych Alert, and ensure they have been properly evaluated, properly housed, and all documentation required regarding psych evaluations and PDS have been completed. Please have someone notify meet once complete. Thanks in advance.
