Hello You Awesome People!

I took the liberty to try to update the Institution Supplement as far as the Directives and I added the Naloxone. Dr. [REDACTED], please don't be upset. I added a few more details to the Naloxone procedures. However, I ask that you review them and if there are concerns, changes, please write on a hard copy or feel free to make them on the Word document. Commander [REDACTED], I need for you and [REDACTED] to review the Supplement for accuracy, changes, etc. **We have to get this done asap.** Thanks.
