I'm a British journalist based in New York who covered the Ghislaine Maxwell trial and wrote a lot about the Jeffrey Epstein story.

We have not spoken in person but we have worked together before, albeit indirectly, on [this story where the Daily Mail printed some of your photos](#).

I'm getting in touch about Peter Mandelson, the British ex-cabinet minister who appeared in the photos in the above story.

As you may have seen, in a truly disturbing turn of events he is set to be appointed to the UK ambassador to the US.

I'm working on a piece for The Sun about how wrong this is and how Mandelson's links to Epstein should disqualify him from the post.

I'd like to speak to you about when you saw
