Daniel Bates - Daily Mail

personal mouth piece.

In the Daily Mail canteen, do you, Maureen Callahan, Alan Dershowitz and Boris Johnson all have coffee together in the morning or something?

Daniel I bet you call Boies and Alan Dershowitz every morning and have the same old conversation..... It goes like this,

Pinky: "Gee Brain, what are we gonna do tonight?" Brain: "The same thing we do every night, try to take over the world!" Pinky: "Brilliant plan, Pinky! Oh, no, wait!! "

You too will be testifying under oath about you close relationship with Boies and the role you have played in all of this.
