Hello [redacted] – that information is very helpful. We are still going back and forth on deposition dates and submitted a letter motion to the court today to try to resolve some issues and get the dates locked in. Epstein is scheduled to be deposed by us next Friday October 12<sup>th</sup> in West Palm Beach and it looks like [redacted] will be on October 30<sup>th</sup> in New York and we are working on the others. Stay tuned – I will let you know when we have everything locked in. We also hired an investigative firm to help us locate and serve other witnesses that we believe will be helpful. I will give you an update as soon as I have more information.

All my best,  
Sigrid
