[REDACTED],

Because of the particular legal conflict, I cannot speak with Steve on your behalf on this matter. It's just not allowed or I would do it of course.

He is a reasonable and good guy, which is why I connected you to him. He will do a good job. However, I doubt he will handle this pro bono but you can ask him. If you learn who Sigrid was connecting you with, let me know and I'll see if I know them.

Dear Brad,

I authorize you to speak to Steve Kelly and his team regarding matters concerning my intention to file [REDACTED] in the Southern District of New York.

I'm really concerned though as Sigrid said she had found a lawyer to represent me Pro Bono to make the objection but she said he hadn't got back to her. That was two days ago.

I can't afford a lawyer to help me and feel very let down and abandoned by other parties, you are very much excluded from this. Would Steve be able to do the [REDACTED] pro bono?

I'm at a loss of what to do and completely traumatised by the whole thing. I have until the [REDACTED] to put in my [REDACTED] and time is running out.

Best
