Hi [redacted].

I hope you are well.

I was clearing out my old email account this morning and came across your email. I know nothing about this. Please can you send me the court order immediately so I can forward it on to my lawyer in the US.

You were never supposed to receive a court order and I don't understand why you would receive one.

This is really important to let me know what is happening. You weren't involved what happened to me.

I don't know what is going on. Why am I receiving a court order re: Jefferey & Maxwell horrific story? I've never even met these people. I would appreciate if you can respond to put my mind at ease as I'm confused.
