Thanks for that Stan.

Only a few weeks to go now, how are things going your side? I'm starting to get very nervous the closer we get. I guess because I have never had to do something this serious and am also in uncharted waters.

Also can you please update me on the [REDACTED] and what their response was. Again, I can't apologise enough for throwing the spanner in the works with those.

I need to start making arrangements for my trip over to the US, as I need to organise transportation and the animals boarding kennels etc. I would also like to start booking flights.

We have previous discussed [REDACTED] accompanying me to NY when I have to testify for trial. I am sure you can appreciate that I cannot do this without the aid of a loved one by my side for support. Please can you look at having [REDACTED] air flight covered by expenses. I would find it very difficult without him there and your understanding would be greatly appreciated.

Has the court date been set yet? Also have you got any ideas on dates when I have to testify.

I am prepping my side and if there is anything more I can do to help you, please let me know. Even if I can take some of the load off you I don't mind. I appreciated that tensions are running high.

If you can, please can you call me as it's easier and quicker? I do appreciate you are very busy.

Thank you.

Yes, [REDACTED], I spoke with your father, [REDACTED]. He was forthcoming and clear and supportive of you and your story. He will say and do nothing harmful to your position. I think he misses you. Best, Stan

Hi, [REDACTED]:

When you send me the contact information for your father, mother and step mother, rest assured that this does not mean that they will be called by someone for Maxwell, and rest assured that if they are called, they do not need to speak to whomever calls. Brad and I will place calls to your relatives in order to give them this assurance. Of course, if they do choose to speak with someone who calls, their only obligation is to tell the truth in answer to questions they choose to answer. But a call that is made to them does not need to be answered. They are not under subpoena power or other legal compulsion to speak to anyone.

Send me their contact information as soon as possible and we will handle this. Hope all is well. [REDACTED]

Best,

Stan
