Excellent. Thank you. Our subpoenas and case plans are coordinated with those of the USVI, so anything obtained by either is being shared. I'll let you know what is needed as we get further into the case.

Dear Brad,

I hope you are well.

I read earlier that Cathy and Miles Alexander are being subpoenaed in the US Virgin Islands case against JP Morgan. I hope they will also be subpoenaed for the case for the victims too as they were there when I, [Redacted] and co were there being trafficked.

I would like to do what ever I can to assist in this case and would happily testify if this went to court.

I have attached flight bookings that were purchased by [Redacted] on behalf of JE.

Please let me know if I can do anything to help.
