[6] Adam Castellani / Cheman

From [redacted] Mar 9, 2023
 To Brad Edwards, [redacted]

Dear Brad,

I hope you are well?

Whilst you were representing me in my own litigation I repeatedly told you about my abusive relationship with Adam Castellani / Cheman who was the Vice President of Media Relations with JP Morgan.

He knew everything what I was going through with Epstein.

I also told you the Adam was the reason that I didn't come forward when I'm 2007 / 2008. He was also contributed to my 2008 attempted suicide which left me in a coma for a month.

The buck doesn't just stop with Jess Stanley.

Adam was a big player in JP Morgan who knew everything.

Kind Regards
