Morning Stan and Brad,

Eeeeeck how did it go?? I have been praying my hardest, please tell me it's good  
news?

Thank you so much to both of you for working your tits off like you have. I don't know how you guys do it to be honest with all the constant stress you have going on that side.

Please can you let me know when you guys have a spare few minutes as these butterflies need to fly away now.

Fingers crossed....

Hi, [REDACTED]:  
The deposition will be taken in connection with [REDACTED] case against Maxwell, which is set to go to trial in March. The subjects to be covered are those we talked about with

you in person, including Epstein and [REDACTED]. I will talk to you on the phone regarding the scope of the deposition and the related questions you raise, including your own lawsuit against Epstein and the two people you ask about--that is, have we made contact with. The answer is yes. More later today or tomorrow. Sending best, Stan

The other side has been notified that we will be taking your deposition in the next three weeks. Only the time needs to be worked out. I mention this, as I did in our telcon today, so that you can be on your toes in case they try to call you, email you, or contact you in any way. Do not talk to them in any fashion. Hang up. Do not reply to email. Do not be frightened by anything. Once you are in the open, so to speak, you are safer than ever. They cannot harass you because your name is now part of the United States court system. They are not allowed to tamper with you, and if they try, they are subject to legal sanctions by the court. Let me know if you get any strange calls or efforts by the other side to contact you. You will be fine, but we want to know of any funny business by the other side. Best, Stan
