Will do. No problem. Anything in particular I have to coordinate with [REDACTED] about? Also i have set up to meet with Mark Epstein on Tuesday morning to go over the threats he has received. From the initial looks at them, it looks like they are originating from England.

Good luck tomorrow and have a good break/vacation.

Can't remember if I told you or not, but the new agent, [REDACTED], will be coming tomorrow. She has to go to the garage to get her new bucar, but will come in after. Please direct her to the empty desk where the intern had been sitting.
