Mark, I have no doubt that you are a partner in your brother's case and you should go to prison, you know you can not escape from me,
You know that I can determine your crime.
I do not want to bother you, I'm looking for my money, give me \$ 10,000 so I can not text you again.

Mark I am an IRGC informant, I told you before, I got my master's degree from a military university affiliated with the IRGC.

Suffice it to say that you know Trump had sex with a girl under the age of 18 on your brother's island.
Trump has assassinated an IRGC commander, they hate Trump,
If I tell them they can expose Trump through you, then it's not just a matter of hacking information, even your life will be in danger.

I can send you the membership card in the IRGC in the secret telegram chat to see.
