Sir,

I am no longer in the NYC Office. If you or [REDACTED] feel your life is threatened you need to call 911.

Otherwise I would contact your attorney and pass along the information to them or you can contact [REDACTED] to submit your complaint.

Hi,

This is [REDACTED]

First, I wanted to know if you are still at the FBI?

Hope all is well.

[REDACTED], has gotten some texts from some guy that might have been stupid enough to give his identity (assuming it is real), He has deleted the texts but she did take screen shots of them. I will sent them in an email next from [REDACTED].

Thanks
