[REDACTED],
[REDACTED] is working on a one page briefing sheet (SCN) on the Epstein case which we'll update weekly and submit with the weekly SAR. His sheet will include all aspects of the case (financial, victims, forfeiture, PC, etc.). [REDACTED] will add a "Death Investigation" section which will be populated by you each week. Bullet points to summarize the status is fine.

The first summary is due tonight so that I can get it to [REDACTED] in the morning. Please provide your bullets to [REDACTED] when you guys close the book on the day. Going forward, we'll need your updates for the weekly updated SCN.

[REDACTED]
Drop [REDACTED] bullets into the SCN and then send it to me.

Thanks
