We will need to do an email update every day at the end of the shift summarizing the call activity for the day. I would include the following information:

- 1) Number of calls from victims. How many of those were new victims vs. known victims?
- 2) Number of calls from witnesses.
- 3) Number of calls from other individuals with information on the case.
- 4) Any other calls.

Include myself, ASAC [REDACTED] on the email.

Thanks,
