Importance: Normal

Good afternoon, earlier today, at approximately 10:20 am, my partner, Det. [REDACTED], and I made contact with Mark Epstein, the brother of Jeffrey Epstein, at 26 Federal Plaza lobby. Below is the contact information provided by Mr. Epstein, as well as a brief description of the conversation. Please let me know if anything else is needed.

Mark Lawrence Epstein, M/W [REDACTED], Florida ID# [REDACTED]. Current listed address: [REDACTED]
[REDACTED], West Palm Beach, Florida 33411 - phone number : [REDACTED].

Mr. Epstein was inquiring about the results of his brother's autopsy report and stated that he was confused on the results of the autopsy due to the death certificate/report shows pending in comparison to suicide or murder. Mr. Epstein also wanted to know the Case Agents name and contact information and wanted to speak with him/her immediately.

Thank you,
