---

Hi everyone - I just spoke to OVS General Counsel and after a long conversation he is fine with the Case Agent completing the OVS/FBI Victim Form that we have for each identified victim. He gave me language to include. This is great news and I will start having victims complete once we have a completed standardized form.

[REDACTED] - I will get with you next week to work on this.

Please let me know if you have any questions.

Thanks-
